

A scientifically-based method to easily repair DNA damaged by COVID or Vaccines

<https://indeep.jp/how-to-repair-damaged-dna/>

DNA repair methods that Dr. Don talks about are { • Meditation • Sound or music • The right feeling of happiness }

• **Meditation.** The scientific basis for this is in the following papers

(Paper 1) Mindfulness

<https://pubmed.ncbi.nlm.nih.gov/31733290/>

(Paper 2) Meditation and Yoga:

<https://pubmed.ncbi.nlm.nih.gov/31733290/>

(Paper 3) Silent Molecules: The effects of meditation on gene expression and epigenetics

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC7431950/>

• **Sound and Music** •

There are many treatment sites in the internet, and you can use it immediately!!! ,

I experienced the "world of fundamental tones other than 432Hz will lead the devil to victory" that Steiner warned about. In Deep March 28, 2015

Amid reports of an incredible increase in cancer, a medical paper was found that "528Hz sound waves increased cell death" by investigating whether a specific frequency is really involved in cell repair.

432Hz-alpha waves heal the whole body and mind, emotional, physical, mental and spiritual healing.

"Having the Sense of Happiness"

Hedonic → Short-term, direct happiness (pleasure from pleasure and entertainment, etc.)

Eudaimonic → Happiness gained by living a virtuous life and doing worthwhile deeds

APPENDIX1:A Strong Heavy Virtuous Thoughts could be Realizable ???!

(1) Author became convinced of the **Power of Natural Healing**, because of the self-treatment expert a pro wrestler who frequently suffered injuries. Antonio Inoki damaged serious cervical spine injuries in a match with S. Hansen, and quickly retreated to the Brazil Amazon rainforest to recover and return. However, they have fundamental physical strength far beyond that of ordinary people, so I don't know the details.

In Deep is an amazing site who reads through many singular medical papers from various countries and publishes many summaries of them.

<https://indeep.jp/>

(2) Author now can not specify the source, a doctor recommended to a child with cancer to imagine UFOs shooting down the cancer cells in his body, and the child later recovered.

Can pure and strong belief produce miracles? ? ! ! .

(4) There are many miracles of living organisms adapting to the great variety of environments in the natural world. DNA is originally stubbornly conservative, and its basic function is to preserve and continue its form. On the other hand, when we look at the great variety of evolutionary adaptations, we are astonished at its enough flexibility.

How do we resolve this contradiction between the two? ? ,

After reading this time report, author once again noticed that direct physical chemical impact of the environment (and consequent conscious to act by those) to the human body and the results of psychological actions of person (life in general) are an undeniable and enormous **electro-chemical,, chemical physical phenomena process** via the brain and nerves!!

::::*Imminent Strong Heavy Thoughts? ? ? ! ! ,*

Looking at the results of evolution, we can see that it is tremendous amazing enough adaptation to the environment, *just as the living organisms strongly and heavily hoped for!* ...

(5) **Eudaimonia and White Magic.**

→ The feeling of happiness obtained by living a virtuous life and performing worthwhile actions

***If the world people accomplish global unite with one mind, anything virtuous would become realizable.**

The kernel of Christian teach may be realizing *eudaimonia by devotion*. So is Islamic jihad devotion. But the upside down world has been pursuing not those. In the total world, if selfish are more, while eudaimonia by devotion are less, the latter become red. if selfish are less, while eudaimonia by devotion are more, the latter become not red. That is, global stronger unite would realize us eudaimonia.

(6) **Black Magic.**

Nazis were anti-Semitic & Christian, pro-Tibetan Buddhism, and obsessed black magic.

(7) **Why do strong desires come true?**

Now author can not tell the whole cause, but a fact on **miracle QVF**.

In the quantum vacuum field (QVF), they had already realized **coming molecular before the chemical reaction end** by **zero time instantaneous electron cloud transition**.

*An electron is zero size elementary particle, but not compound ones (nuclei).

This is called also **Frank-Condon Principle?** in Chemical Physics.

This phenomena is famous as **Kirlian photography the coming future image one.**

It is an insect antennae for Scanning,or Searching with Light by TASK(something lust).
