[1] ; The Warmonger.

The Israelis, who were damaged by the worst Nazi genocide in the history, are now terribly turning in the hell Gaza, where their genocide continues despite global condemnation and the ceasefire agreement. Israel the isolated island nation in Middle East can not do nothing, but depends on support of the evil USA the warmonger. The needless, fruitless, and endless Ukraine war, which caused Russia into the war after a long-term US conspiracy. The world neglect that there is **only one root cause** for all these evils. Now US themselves people and enterprises are facing the unprecedented economic collapse ;, while only **they the CIA-warmonger** are stable.

[2] ; Still 80 years long after the war, the lawless military occupation politics has been being kept in Japan and emerged the abnormal dark trial on the PM assassination.

(1) The dirty political funds production device.

Once CIA established shady cult the *Family Federation for World Peace and Unification* in Korea 1954. The church's arrival in Japan 1963 was deeply supported by the family of the assassinated former **PM Abe** at this time the Korean resident in Japan. They used *spiritual sales tactics* to brainwash gullible Japanese people and obtained **huge donations**, which they then poured into maintaining the conservative political system in Japan and USA.

(2)**The purpose of the blank shots' pseudo-asashin actor(T-Yamagami) was to expose the lawless fraud cult guarded by the corrupted authority power to the public.**

The true asashin is himself of PM Abe support group(CIA-cult-Police).

(a)Ymagami's mother was a terribly gullible cult believer who donated enough to to have caused even home economy collapse,which had terribly suffered unhappy Yamagami family to have made his revenging mind.

(b)He considered that assassination were useless and harmful, and that firing blank shots would create a public uproar and expose the church's evil-doings.

(3)He shot twice times and the 1st shot was evidently no hitting,because PM Abe looked back by the big bang sound, PM Abe fell down at 2nd shot.

(4)**The sound records(portable phone cameras)and the analysis** showed that Yamagami was blank shot(no bullet sound),while two silencer rifle bullet sound having caused fatal damage to the PM(by silencer rifle)by the shadow asashin.

(5)**The Treating physician's Death Certificate.**

Yamagami shot from the PM just behind,while the fatal bullet input wounds were two on the side of his neck.The output wound is one,thereby **the decisive evidence bullet was left in the PM body. Terribly curious enough ,no one can refer about the left bullet in the body.**

(6)**Not Shot Gun of Yamagami.**

If ,multi bullet shot gun,no wounded public audience before the PM becomes hard to explain.

(7)The true assassin was prepared in the shadows(by the PM group themself) to be framed as the big assassin by Yamagami, the essentially victim of the CIA cult.

(8)According to the police officer who arrested Yamagami, Yamagami cried," **is it really hit??**", By blank shot, it would have been impossible for Abe to fall.

[3]:3years long Prison Brain Washing blanked out Blank Gun Memory?!.

2022/7/8~2025/10/18,in **3years abnormal long prison life before trial<3 years pretrial proceedings and 3 month trial>**,he lost memory of the most important fact of blank gun by **Brain Washing** in the prison.In the trial,he testified a model student's answers what were exactly as the deceit and corrupted prosecution intended.

There are techniques for changing the opinions of imprisoned liberators without using electric shocks or waterboarding.

[4]:Disordering World by injustice,lie,hatred by the CIA Warmonger.

Goods prices are soaring all over the world, jobless-poverty is increasing, and social disorder by injustice, lies and hatred is rampant. People living in difficult circumstances are trying to do their best on their own, but individual solutions are not possible.

If everyone could just talk about the truth, relief could begin.
