*The Gaza Strip is long and narrow, approximately 50km long. In terms of size, it is about the same size as Tanegashima in Kagoshima Prefecture. Over 2 million people live there, making it **one of the most densely populated places in the world**.The Gaza Strip is often described as a **"prison without a ceiling,"** but due*

to the Israeli blockade that lasted for about 15 years since 2007, the movement of people and goods has been severely restricted, and poverty and unemployment rates are high.

UNRWA also provides food and other assistance to approximately 1.1 million people living in Gaza. It is said that 80% of the population cannot survive without food assistance. In 2000, before the lockdown, fewer than 80,000 people relied on food aid, which shows that the number of people relying on food aid has clearly increased compared to today.

According to Thomas White, UNRWA's chief executive in the Gaza Strip, the unemployment rate among young people in Gaza is 70%, and the poverty rate among refugees is over 80%, making them the most vulnerable to the effects of Gaza's difficult economic situation.

“When [Palestinian Islamic organization] Hamas hides behind people and schools, it is a difficult problem, but we will not hesitate [to attack there]. That is why I am calling on the United Nations to We made it clear that ``even places meant for civilians may be excluded from protection" and ``because terrorists are exploiting them." These are the ideals that Germany stands by, and for us, Israel. Because that's what security means.”

Not upside down is as follows.

If you encounter someone of your really important friend who now is terribly and mercy-less-ly hitting an evident weaker poor person ,you never support him,but are to stop his brutal action.

[3]: Historical Trauma=Cursed Races by Hatred History.

Northernmost region races were to survive in sever poor resource environment. Thereby their survival life could not escape from being mercy-less enough,thus they needed both strong love for colleague,but strong hatred against enemy the different races.It is surprise that such a character culture is not changed even at modern times.So called suzerains have a common practice of divide and rule people of slave countries.The ruler conspired and succeeded to cause a hatred culture among people,but not to their real enemy.The slave nation history was about 1000 years long enough to had caused even their personality invisibly,but potentially terribly crooked. They were people abandoned by God the justice ,truth and love..Swedenborg the great once revelated. *A Love of Self is Hell.*
