

Biden-Zelensky_Putin Are All Agent Friends in invisible NWO. 2022/4/18,19

Media in West are Deceiving Nation People to Keep Lasting the Fake War.

Exposing all the evils with disasters are caused from ill will USA NAZIS reincarnated,, is to turn **the upside down world!!**,or all of you would be extincted in coming hell.

*Hallowed Souls of Ukrainian
and Russian the Devoted,*

Origin of all the evils are due to NWO regime
NWO=top elites with reincarnated NAZIS USA.
Almost west nation leaders and(Ukraine,Russia, China)are faithful secret agents of NWO.
Oil merchant Rockefeller once supported NAZIS establishment failed to **destroy climate** now heading global extinction about at 2040(Arctic Methane Catastrophe).In order to hide those people,Covid Pandemic and the War were launched toward final survival game hereafter.

The Anti-FAKE EVIDENSE SUMMARY toward fix the deadly deceived world.

In a Time of Universal Deceit -Telling the Truth Is a Revolutionary Act..George Orwell

①Note for Covid,they accuse **China**,at this time,they accuse **Russia**.Both are long time enemy of USA.War was planed by USA with Ukraine to **trap toward war with Russia**,USA implemented faculty and military against Russia.The trap was previously well known to Russian top elites,while they failed to avoid the war **the secret global smoke screen**④⑤⑥.

<http://777true.net/The-Cause-of-Covid&the-Ukraine-War-were-Climate-Worsening.pdf>

②The sanction & accusing Russia would not cease war,but cause West economy hard.

③Strong terror&deception ruling has been ruling on not only Russia-Ukraine,but also West.

④Behind the fierce war show in media,**Covid-vaccine sequelae** are invading people.

⑤Behind the fake show in media,**energy shortage and famine** are coming on.

⑥Behind the show in media,people loose cautious on coming **Deadly Climate**.

All④⑤⑥is to attack global people to weaken them,which is **Counter Revolution by NWO**.

⑦**How to Fix Deadly Deceived World now having become final survival game field.**

(a)Exposing long years conspiracy in Ukraine is fatal sin to expel Biden regime.

(b)Exposing Zelensky's big lie is **stop supporting Ukraine !**,which is to cease the war.

Putin Russia **without tight war regime** is to face power transition(?)by fact exposing.

(c)Covid-vaccine regime must be turned to All People Testing toward virus eradication.

(d)The essential cause of the disasters Covid & Ukraine were **the Climate Worsening**.

<http://777true.net/The-Cause-of-Covid&the-Ukraine-War-were-Climate-Worsening.pdf>

By any how,**ceasing the war and eradicating virus** must be urgent to recover normal society in order to transit global climate wartime regime.Thereby,only by exposing deadly fact can accomplish those toward **altogether and at once of global unity**. **Only truth** can build stable world order by endeavoring to converge it unique and only.,

Unique & Only Truth enables Global Unite the Winning!

❶ **Evil West planned and tragedian Ukraine acted injustice of Provocation.**

(1) Once surveying origin of the war cause, it reveals **ill will USA** and NATO (the agent of USA) who had been implementing events **inducing Russia's worry for their defense position.**

"Ukraine has the highest level of US military biological weapons laboratories of Western countries."

(2) **The direct cause** was Zelensky Ukraine recent attack against Donetsk- Gdansk the Russian major states whose parliament declared independence from Ukraine and demand joining to Russia. Then Russia's the authorized agreement allow military deployment at there legal as national defense act, however it is a deadly trap to accelerate global chaos.

The Ukrainian Conflict Is a U.S./NATO Proxy War, but One Which Russia Is Poised to Win Decisively – Scott Ritter

(3) **A Russian General Had Warned coming war the NOT NECESSARY for RUSSIA.**

It is evident Ukraine had caused war **trap** to Russia, while Russia had deployed military to there **even with previously and sufficiently recognizing it as trap.**

Chairman of "All-Russian Officers' Assembly" Colonel-General Ivashov Leonid Grigoryevich wrote appeal to the President and Russian citizens at "Eve of War" <2022-01-31> :

Address of the All-Russian Officers' Assembly to the President and citizens of the Russian Federation

This may be one of the most important document on the fake War.

(4) Essential evil is west, while Russian top is their secret agent. Modern history of Russia is ruling by not native Russian, but the guest race. Also modern Japan secret history is ruling by not native, but the guest race with the strong background. Note being guest race is not sin, but their connection is harmful.

History never happens by accident. It was pre-engineered to do so.

... I can bet on you..... Franklin Roosevelt

(5) *Russia is Falsely Accused of Civilian Slaughter (Japanese), 4/8, 2022, Sakai Tanaka*
<https://tanakanews.com/220408buchu.htm>

Azov Battalion the rouge military was brought up by USA.

② Sanction & Accusing Russia would not Cease War, but Cause West Economy Hard.

Rising Putin accomplished rather rich peoples, thereby people had become applause him. However it is insidious planned trap to lead them into coming hell. Because he is **secret agent of West (NWO)** who has been endeavoring to accomplish dictatorship in Covid pandemic and climate worsened world now heading to global extinction. President Putin is entirely no care on climate, what was noticed in his past sayings.

<http://777true.net/The-Cause-of-Covid&the-Ukraine-War-were-Climate-Worsening.pdf>

Putin Russia seems stable than what is told in the strong fake West media.

The West Ally Sanction against Russia may be rather Upside Down.

Now by analyzing following facts, he is military and economically rather stable than what is now overwhelming condemned on him in fake West (it is an inside job by both West and Putin). **In authors view, accusing Russian is to strengthen their dependence to him, while informing Russian fact on Putin and actual his relation with West would be decisive.**

(1) It may be not few who are friendly nation with Russia and with trading necessary commodities. **Almost half of the world is not in tune with USA.**

Russia "Expulsion" adopted by the United Nations Human Rights Council with the approval of 93 countries, 24 such as Russia and Belarus opposed and 58 abstained, 2022/4/8

<https://news.yahoo.co.jp/articles/788396a03a4ad45cd2c7bc8314a75f40b925aa95>

Anti-Russian ally = 93, the rest = 82, almost half of the world is not in tune with USA.

(2) Maybe only USA and Russia could be self-sufficient nation such in foods and energy?.

Why can Russia, the 11th largest GDP in the world, maintain its mighty military power?

<https://news.yahoo.co.jp/articles/ac59fb8dfcd93a0196cbd87b1b3aee180ecc6501?page=1>

Unlike the EU and Japan, who are dry up if trade with the United States ceases, Russia is a country with enormous energy, minerals + fishery resources, and vast agricultural land (the world's 3rd largest wheat production and the world's largest export).

(3) *Russia at now is not so much economic trouble, but fairly getting profit by the sanction. Foreign cash flow into Russia to hit record despite sanctions,,BRICS 2022/04/05*

<http://infobrics.org/post/35473/>

(4) *It seems anti Russia ally who would encounter economic difficulty hereafter.*

IMF Warns That Sanctions Against Russia Threaten To Weaken The Dominance Of The Dollar,PRECIOUS METALS, 2022/03/31

<https://www.nxtmine.com/precious-metals/imf-warns-that-sanctions-against-russia-threaten-to-weaken-the-dominance-of-the-dollar/>

③ **Strong Terror&Deception has been ruling on not only Russia-Ukraine, but also West**

(1) **President Putin Regime with Strong Terror and Deception Ruling.**

President Putin seems almost the same of Stalin's strong terror ruling. Anytime anywhere a fascism nation always employ strong and brutal espionage and police ruling (violence).

In past of his ruling, many became sacrifice of assassination

<https://news.yahoo.co.jp/articles/b2793aa4193ccb4e1822cf90eb3f3ff29463d858>

<https://globe.asahi.com/article/13668764>

Someone told *Putin now is too awful to resist against him*. Those who order assassination also fear on his being assassinated, so it is told that his guard is terribly tight to evade assassination. To tell from the very origin, for elites of NWO, President Putin is extremely important enemy playing actor, so none of them wish his deleting. That is, the top of Kremlin is not for Russian, but for NWO. This is also true for Ukraine regime by Zelensky.

(2) **Terror Ruling Fact is almost the same also in Japan and USA,**

Also political terror ruling by assassination, conspiracy, etc in West is almost the same as Russia. Now Japan is being threatened by earthquake weapon HAARP, pseudo medical murder, political-social mind influential assassination. There may be secret professional execution group with political police. Such deep fact is not easy to be news in media.

Note Japan and USA is almost a common body, so the situation may be the same in USA.

Japan and USA, etc highly hypocritical democracy are now playing on.

The substance of them is ruling by a dictatorship invisible (NWO=NAZIS reincarnated). That is, almost the nation leaders are quite faithful sub (muppet) of NWO.

Thereby their quarrel between them looks fierce and plausible, as the consequence, 99.99% people are deceived completely. This is awful fact, which has been now destining our history.

(3) **The War Would Not be Ceased for Long by Secret Support to both War Nations.**

The Secret Compromise Between Their Top Elite the [Vodka & Cola Connection](#).

What author strongly advise to you is "people of Ukraine, Russia and also ourselves are mere a consumable goods for elites in NWO". Now look at the actual outcomes by them.

If considering the outcome of ②< 1 >(1)(2)(3)(4)(5), we must notice it could not happen that

west nation leaders with their adviser can not recognize **damage of own and profit of Russia.**

That is, the war is secret **inside job** of both (Russia-Ukraine) and West(NWO).

Now they are playing actors in the war stage theater written by CIA? scenario.

Note also Covid Pandemic is inside jobs as **damage of own and profit of US pharmacy**

Historically the long year conflict between USA and USSR-Russia since the revolution is essentially fake, but serious harmful **inside job playing** (*Vodka & Cola by Charles Levinson*),

④ Behind the fierce war show in media, **Covid-vaccine sequelae** are invading people.

The Vaccine Death Report: Evidence of Millions of Deaths and Serious Adverse Events (~sequelae) Resulting from the Experimental COVID-19 Injections

<https://www.globalresearch.ca/evidence-millions-deaths-serious-adverse-events-resulting-experimental-covid-19-injections/5763676>

Ordinal vaccine development takes **few years long** to detect **adverse events**, thereby Vaccine the short time development at this time has possibility to reveal exponential increasing of adverse effect hereafter..

⑤ Behind the fake show in media, **energy shortage and famine** are coming on.

Now the world nations are dividend to **pro Russia** ally and **anti Russia** one, It is told the former is rich in **actual resource**, while the latter is rich in **paper finance**.

⑥ Behind the show in media, people loose cautious on coming **deadly climate**.

<http://777true.net/The-Cause-of-Covid&the-Ukraine-War-were-Climate-Worsening.pdf>

Climate Emergency in the Upside Down World=the almost 99.99% desperate one.

So far authors looking, there are none who totally disclose climate fixing reality. Those who say, **till 2050, 100% reducing** is the worst jokers (politician+businessman=almost the nation people).

It is incredible matter that **keen businessman** with **well skilled marketing research** do not know coming awful **reality** of climate worsened world, where economic damage is destructive enough.

Amateur people are almost forced to be apathetic due to **no the fact information source**.

This is absolutely **upside down world**, where Ukraine war victims are now fiercely discussed, while coming **8 Billion Extinction** is nothing at all<these are planed scenario by ill will NWO>..

*8 Billion Extinction climate war criminals in lower class=climate scientists, education, mass media, politician, business society, But they can be no guilty by their wrong position turning. Some may say it is killing to suicide by myself, so no sin. Such they too selfish must be damned in hell by God, because they would have slaughtered **all the life on Earth** poised by radioactive of many **NPs without maintenance**.

.....

Even such as though, author call for rapid establishing global climate wartime regime. He bet who can really understand what he describe as below and stand up for the struggle.

*You never trust author, he frequently make mistakes, but you must verify and trust only fact.

(1) In resource and technology, 80% new energy-nization is possible by **climate wartime regime**.

Also technology of rapid and massive CO2 pulling down technology is possible, Note climate wartime proposing is not author's idea, but brave both someone French and Australian climate scientists.

(2) Climate the becoming wild in recent years would be necessary to reduce ocean temperature

by **geo-engineering**<sun heat intercepting by **cloud making machines**>.

(3) Arctic cooling is possible by cloud making machine and strait flow shutting down.

Certainly those are not so easy, but not impossible by our decisive strong will at now !!!

Also you must bet global genius who can overcome coming difficulties !!!

<http://777true.net/Rapid-Launching-Climate-Engineering-could-Save-the-World.pdf>

APPENDIX-1: The Extinction Generation must urge the Responsible Scientist(Covid & Climate=CC).

The responsible CC scientists with the engineer(economist) must do covid-climate fixing,

The Extinction Generation must strongly urge the scientists to battle with their fatal duty tasks.

Both they must decide **the leader** the responsible to build mutual trust by open debating to **act**.
