

Compensation Petition on Making Needless of 12B\$ SSC(1993)to

Concerned Scientist Org,American Physical Society,and Biden Presidency.2021/10/16,17

Once author made of no use 12billion \$ elementary particle experiment faculty in Texas USA

https://en.wikipedia.org/wiki/Superconducting_Super_Collider

The construction was aborted(1993 Autumn)in the half completion with spent 2b\$,then they lied the reason due to financial difficulty,because annual income of government always red during 1984~1993(Clinton Presidency).While author turned to terribly poverty due to the compensation petition to USA on the copy right invasion on elementary particle theory (1993 Spring).Following was the submitted thesis(triggering the abortion),but rejected to publish by Progress of Theoretical Physics in Kyoto University Japan.

http://www.777true.net/GRAVITY_FIELD_as_GUAGE_one.pdf

* DJ6420<the comprehensive treatise of completing elementary particle theory=QGD>
Quantum gravitational dynamics of $SO(N \geq 11; 1)$ gauge symmetry as the unified field theory in linear coordinate. Submitted, but rejected to publish Phys.Rev.D(1997/9/19).
USA your terrible sin would be some degree released by easy paying 0.12billion \$ by rotating printing machine.

(1)The Circumstantial Evidence on the Copyright Invasion.

*It maybe true that since 1984 to 1993,some had been accusing SSC is too high cost, though the red finance government had been entirely keeping construction, That is financial difficulty is not decisive factor of the abortion,thereby it could not be nothing,but a pure scientific cause to turn the situation.It is told that science society not did strong opposition !! In the later(1998~) government turned annual red to black,however they would not demand restarting construction.

Physics Evidence on Needless of SSC<For general people orient reading>.

Substantially Dr Fadeev & Dr Poppov(Quantization of gauge field,Russia) and Dr Utiyama(Gauge theory,Japan)had completed QGD,However failure on employing general curve linear coordinate in gauge theory in unifying gravity had to be corrected.Also classical coordinate ($x_0=ict, x_1, x_2, x_3, \dots$)is righteous,while no employing imaginary number in x_0 =time coordinate must be also corrected<Without this,very singular initial negative energy by non herimition(=non observable) transversal gauge field(ordinal negative energy is caused by longitudinal one) in BigBang gauge field phase transition become impossible>.

As the consequence,complete gauge field-nization of gravity field by Einstein equivalent principle had successfully revealed decisive matter(force)evolution sequence as follows.

< $SO(11;1) \rightarrow SO(11) \rightarrow S(10) \rightarrow SU(5) \rightarrow SU(3) \times SU(2) \times U(1)$ >.

,where $SU(3) \times SU(2) \times U(1)$ =strongxweakxelectromagnetic forces respectively.

BigBang=gauge field phase transition dynamics< $SO(11;1) \rightarrow SO(11)$ >(without manmade model) of was derived.Spinor(elementary)particle mass formula leads to Newton potential as macro approximation.Higgs model for particle mass is incomplete temporal hypothesis.

(a) **A Dynamics is completely described only by so called Lagrangean.**

Elementary particle theory is also called Quantum Field Theory(QFT), which is a dynamics same as **Newton one** stating $F=m \times \text{acceleration}$, this is a unique and only dynamic equation, which can state planetary motion to building vibration the versatile. Newton dynamics has another fashion of so called **Lagrangean** formulation, then dynamical motion from beginning to end is ruled by so as to accomplish least paying cost in wallet=Lagrangean. This least action is universal also for QFT a dynamics.

(b) **QGD Lagrangean is determined only by Quantization Principle and Gauge one.**

Once Lagrangean was determined, all the information of elementary particle can be derived,

Einstein's gravity theory is curiously two type of Equivalent Principle and General Relativity. After all, former win to couple with Gauge theory describing all the forces (electromagnetic, weak, strong, gravity) in universe. Gauge theory demand equation $A=B$ is **no dependency of gauge** such as inch, meter, \$, ¥. **Quantization** is reflection of **dual behavior** of wave and particle in micro world matter. Abstract general form of Schroedinger equation $i\hbar \partial \psi / \partial t = H \psi$ is derived by Quantization principle, while concret form of **H** (interaction force) is derived from Gauge principle. Below simple commutation relation is mathematical origin of quantization .

* $[(d/dt), t]f(t) \equiv [(d/dt)t - t(d/dt)]f(t) = f(t)$,

Those essential deep meaning is supplied in **APPENDIX_2**.

(4) **Big damage is not only SSC, but all the Physics, etc of author concerned.**

The work is from theology, math, physics, chemistry, economics, climate dynamics and technology, HAARP earthquake weapon, however nothing academy publishing at all.

Anything that author wrote and did has been being rejected, or neglected by academy authority both domestic and abroad, however secretly admit and maybe utilize

.....
While author has been being in poverty life with neighbors scorn(however recent situation have turned).Damage without academic publication may not be only author,but also who related with the science,technology and ideology(however recent situation have turned)).Note time loss damage and income loss damage is not so small,In this sense compensation is decisively necessary,[Above all,authors no position with no money has been intercepting important urgent necessary tasks at now](#).Time left for author(74years old)is not much.That is,since 1993,USA has been entirely deepening their sin. SSC abortion could have gotten [\(12-2\)B\\$](#) gain.[USA is famous for accusing others copy and human right invasion](#),but the situation is entirely upside down. Thereby 0.12B\$ compensation agree with least action principle,

APPENDIX_1:Conflict with USA the NAZI reincarnated nation.

In order to win social justice,exposing deep rooted origin of ill is inevitable.[USA the NAZI reincarnated nation is decisive fact](#). It was at first noticed in authors actual experience in work(1973) in US corporate<a wig of military industry complex the kernel of NAZI USA> Then he had known CIA has been working only for profit USA by exploiting ruled nations. And in later(~2007),he learned the whole reality from Americans,who may be not safe in saying It publicly,thereby it may be a task of foreigner author not only for USA,but also for [many nations exploited by USA](#).

Above all,it it entirely ruling by [temptation,deception,intimidation and violence at last](#).Thus it is cause [the upside down world](#) against righteous God teach(**justice,truth,brotherhood**). Thus he has been surveying how to turn the upside down world,then it may be nothing,but at now when their real appearance had revealed as visible monster begin to destroy mass nation people by [suspicious enough global Covid outbreak and following global mass vaccination](#).Government will not really save nation people,but do upside down causing coming hell by not only Covid,but also Climate Collapse world war the fainal.

Then most powerful key may be [immediate global unite with a TRUTH](#) before it is too late,

① Government [at now](#) will not save you,but destroy in Covid and Climate hell.

② http://www.777true.net/Climate-Extinction-is-Destined-not-by-Government_but-by-You.pdf

It is not that author has completed the know how,but trigger your cooperation which would have accomplished those.

APPENDIX_2:A Realized Event is Absolutely Unique and Only=fact,truth,reality.

((Now only global unite with **a Truth** can realize extinction evading)).

You may say it it too evident to debate.However too **comprehensible** evident(=fact,truth) is absolutely valuable both in science and even in our democratized political life<unique and only **policy realization by majority decision**>.A science(LOGIC)is absolute democratized decision(**comprehensible to Yes by everyone**)=TRUTH.Or comprehensible to Yes by everyone is real,or become realizable.While **a lie,deception,or misunderstanding, failure(contradiction)** is not realized event,or become different something told by **liar, failure**.What author wish tell you is as follows.

A realized event is comprehensible(no contradiction)by everyone,(to see is to believe).

A comprehensible event become realizable !!<a prediction by LOGIC(theory)>.

That is,comprehensibility<LOGIC> and realizability is equivalent !!!!

Thus pursuing **comprehensibility<by LOGIC>** can establish even *Quantum Mechanics*.

This was actually proved by mathematician Virkov and Neumann(the computer inventor).

Historically it was found by observing fact phenomena in laboratory.

Accomplishing comprehensibility<**by everyone**> can **realize** any difficult policy.

While hard to comprehend by everyone,but necessary policy become failure disasters.

Now back to science again,

In discussion(2)(b), *Quantization* may be insufficient to get satisfactory comprehension,

In fact,author himself could not find sufficient explanation for none expert orient by expert.

It takes **whole comprehension** on so called Quantum Logic<too abstract mathematical>.

Dare to tell,a realization is confirmed by actual **observation(=projection to gauge)**,

the mathematician found that observation is correspond to so called **operator** which act on

function(=state the observed object) to transform,then some **simultaneous observations**

(operators)is to face difficulty in their accuracy(**uncertainty principle** such as particle

position=**x** and momentum=**p**).Such operators has so called **commutation relation** in math

formulation which is called **canonical quantization**.(d/dt) is called time differential operator.

***Deriving Schroedinger Equation** the micro world fundamental one by simple,**but wild way**.

The cause is that only time=t,it has dual canonical pair operators{(d/dt),H}.

*[(d/dt),t]f(t)≡[(d/dt)t - t(d/dt)]f(t)=f(t) ⇔ **[(d/dt),t]=1**;canonical operators{(d/dt),t}

canonical operators of time=t and **energy=H** ⇔ **[H,t]=1** → thereby (d/dt)=H→(d φ /dt)=H φ

<http://www.777true.net/QFTstructure1.pdf> → **①②(6)<P7/20 >**

A φ_a=a φ_a; eigen value equation

operator x state(fucntion)=eigen value x state

***eigen value=a observed value on A.**

***eigen state= φ_a with value=a**

a={a₀.a₁.a₂.a₃,.....}from gauge **A**'s end to end.

*A time process of state change(**iħ∂ φ /∂t=H φ**) is ruled by **energy=H** action to state= φ , thus energy can cause even our extinction at last time by if we have no comprehension.

APPENDIX_3:Political Multiple Division and Completeness Theorem.

[1] : Failure by Political Multiple Division without Massive Unite with a Truth.

<<Overcoming small difference,and Making Bigger Unite to Win>>

Now the world has been facing the apocalyptic threat(Covid-Climate Collapse=CCC). While Oligarchy Power has become stronger to rule with suppressing people in the unprecedented threat.It is strongly caused by **Political Multiple Division in People** . In the population count,oligarchy power is essentially very minor(wealthiest class), while opposition party(left wing of lower class)is essentially major,

Can French President Emmanuel Macron, shaken by the "anti-pass" movement, withstand the resistance of the people?<Google translator available>

<https://news.yahoo.co.jp/articles/9bf68c0a762928cea3a5f90306cf363aef173617?page=1>

It is long years insidious conspiracy to grow up "agent leader" playing oligarchy politics. While ultra right wing is to assist him to elect by dividing peoples voting.The original left wing is **not motivated to fight** by something unclear reason.

Substantially no opposition party in Japan by **terrible multiple division of the parties**.

https://www.tv-asahi.co.jp/hst/poll/graph_seitou.html

Above 30% politically ignorant or desperate people has no supporting opposition party, which has been causing long years LDP oligarchy,.Some politicians in both ruling & opposition party are **deadly betrayal** !.Politicians **real motivation** were secretly&variously destroyed in the past.

Political Cartoonist Carlos Latuff Reveals the Tools of Brazil's Oligarchy

<https://upside-down-world.org/archives/brazil/political-cartoonist-carlos-latuff-reveals-tools-brazils-oligarchy/>

Brazil is originally rich both in resource and people,however USA with CIA has been being exploited them for long by making up government oligarchy agents **the deadly betrayal**.

[2] : Win by Global Unite with a Truth<a scientific view on **Unite with a Truth**>.

<<By anyhow,Overcoming small difference,and Making Bigger Unite to really Win>>

Now many are working hard to make fatal monster mistakes caused by ignorant on truth.

In school,people general were once taught science is difficult enough to comprehend and **no God in science**,but those are wrong.While they never be taught **Logic** the simple,but http://www.777true.net/Logic-the-most-simple_but-supreme-way-for-recognition.pdf supreme science.Certainly the details may be complicated,but the few supreme principle in **whole about viewing** become simple enough.Now author wish you should be released from inferior complex against science,but get trustability for **own making decision**.

[The ultimate question posed by quantum mechanics —Is "material does not exist" true?
https://news.yahoo.co.jp/articles/23dbcffd379c7f9b60fbd7c8bb49c21ed993f9c?page=1](https://news.yahoo.co.jp/articles/23dbcffd379c7f9b60fbd7c8bb49c21ed993f9c?page=1)

They are still making confusion with neglecting actual science hid by academy.
Even a top physicist has no knowledge on logic=**Completeness Theorem**(Gödel,1929)
the strongest theorem in Science,which states "A truth is provable to be **unique and only**".
Author don't recommend logic text written by scholar in literature department,who **can not define "true"**,only physicist can do it by **observability**.It is action of confirming a visible realization.

*Physical vacuum is not visible to cause supreme singularity.That is, non can say it true or false,thereby it become possible **A** and **not A** simultaneous realization(**CONTRADICTION**).
Then logic theorem states "**everything can be**" in vacuum world \leftrightarrow **almighty God**>..
<http://www.777true.net/Proof-on-God.pdf>
<http://www.777true.net/Scientifical-Mechanism-of-Prophecy-by-Paranormalities.pdf>

Thus you may recognize that established academy is mostly betrayal against **religion**.Thus some scientists has been consciously or unconsciously causing confusion on **Epistemology**.
Never spare time in it.A science must be explained in simple and easy way such as above.
Similarly don't be confused in CCC(covid,vaccine&climate) debate,which may be the most **deceiving stage** in mankind history . Oligarchy the wealthy,but terribly fear own stat us decline is to **crook fact inconvenient**,while massive ignorant is to be deceived.This is reality of at now world.We should know how much they pay to massively deceive people by manipulating educational,academy and mass propaganda,Thereby,**not being deceived** in people is decisive to win.

*Kurt Gödel who had been terribly being hated by someone who hate **completeness** ?:
Logic may be most old science since ancient Greece,however **the completion** by Gödel was 20th century.It is told that he non Jew once encountered ill will medical in Austria and at last refuted to USA, at where he faced last time of death in suicide hunger strike.The truth is not known to author,however, considering **the position of logic** at now in global academy,he might have encountered something serious trouble also in USA.What author wish tell you is that Logic is the most strong and pragmatcal science for all,but therefore rather hid. Always people encounter problem unsolved,if a trial was fail,righteous answer is not the trial,thus you would try to another trial not the trial,It is logical turning in facing dead rock, Thus what necessary for the world encountering deadly threat at now must try **logical turning**.Author had turned his too complicated hard work very simple one,however unless his work,it could not had been from beginning.Note his **completeness theorem** is rather neglecting than his **incompleteness theorem** which states **indeterminism** very welcomed in curious science world.However the true appearance of it is **probabilistic phenomena** due to Information loss in general.This is also most important pragmatcal theory and technology.Also author concerned completing elementary particle theory encounter terrible hate.
Note Utiyama,Fadeev and Popov had no Nobel prize and not known to well in the world.
After all,wicked spirit in highest place has been being worry on what people become to know truth.
