

Emergent Tasks at now = God loved Jew, but not German (2015/08/26,28).

I : Recognition on the current deadly situation

If you continue to adhere own works at now, you would be extincted by climate hell.
Because it 's your works and life way that has been causing our extinction by mass CO2 emission. The you never fail, but ask "how to survive without my works, tell me what to do??"

II : Possible Salvation Operation

After all, very coarsely to tell, we should turn back to era of **agriculture society**.
We all should be farmer soldier to save **foods** without CO2 emission. Some should be technical soldier to implement **Geo-Engineering** to mend broken climate .

<http://www.777true.net/We-have-already-gotten-technical-tools-to-intercept-climate-hell.pdf>

<http://www.777true.net/We-have-already-gotten-technical-tools-to-intercept-climate-hell.pdf>

<http://www.777true.net/Life-Assurance-by-National-Strategy-in-coming-climate-WAR-TIME.pdf>

III : Who has been intercepting political transition from deadly now to possible salvation.

Those are facts hiding and global insidious interference on those who wish to tell fact
Those are due to will of the minor, but strongest wealthy and noble ruler (**Bilderberg**).

(1) The supreme deceptions in climate science and so on.

(a) Unless emergent 80% CO2 cut and Arctic Cooling engineering, we could be saved..

IPCC operated by EXXON-MOBIL (Rockefeller) will not disclose the both facts.

<http://www.777true.net/IPCC-the-injustice.pdf>

http://www.777true.net/The-fatal-failure-of-IPCC-climatology_Why-is-IPCC-impossible.pdf

☞ : It may be their substantial suicide that scientists could not tell scientific facts. Or it might be caused from their mistakes to consider no salvation policy and no technology. Someone actually confessed that *it is too outrageously inconvenient for **the current regime of massive oil consumption society** to inhibit oil consuming. **It is too big to fail !!!***

However this opinion is entirely upside down !!! Note even some scientists could not imagine coming climate hell world. **Because nothing could be too big , but than our extinction !!!**

Or it might be caused from insidious threaten to their professional position in research institution.

☞ : Note a scientist may be an expert for own specialized field, however their opinion some time seem to be not correct in the other fields. In now world, they are rare who could be generalists. **Climate policy (= the supreme problem of to survive or not)** could not be only climate science, but need very wide and vast science, technology and philosophy.

(b) Deadly collapsed commercial media hiding possibility of climate hell world.

It is so to say a **media-academy complex** hiding fatal climate facts

Who could be teachers on facts after school graduation ??

(2) **Who has been intercepting political transition from deadly now state to possible relieved future ??.**

It's global insidious interference on those who wish to tell fact and act for fixing. Coarsely to tell, authors conclusion is **secret global NAZIS connections from USA**. Their unite were created by strong hatred against historical and international religious **Jew** due to **twice times war defeating** in world war the 1st and 2nd. **God loved Jew, but not German !!**. Their kernel may be German with followers. Their purpose is keeping **Rockefeller** global ruling empire for their own benefits.

☞: Disclosing **who's responsibility** is necessary to accomplish purpose. For example, **we never could mending trouble without finding original trouble source**. Thereby author dare to tell who is responsible for troubles. In authors experience, one of the most lamentable is noticing betrayals of scientists. They has been still hiding the most important scientific facts which could deeply connect with our way of life. Then note it is **anonymous ensemble, but not named individual** who cause irresponsibility.

The physical society of Japan, USA, and Europe (the world).

IPCC climate science group of few thousand global scientists.

(a) **Japan and Germany the past(now?!) military allied nations.**

Author is Japanese whose nation was once allied with **NAZIS Germany**. It is not so curious that Japanese and German has been sympathetic for each other by common war defeated nation. After the war, the most influence foreign nation may be USA. However Germany has been almost invisible, but deeply being connected to some Japanese. Thanks to them, in Japan, so called **anti-Jew** opinions are not rare. Then who taught them ?. In university, the most popular 2nd foreign language is German which is almost non utilizable. The most imported car is made in Germany. Soccer business has strong tie with Germany.

Author was once engineer in (Yokogawa) Hewlett Packard in Japan and met 3 foreigners. at there. Their name were all German origin. Osaka in Japan is a politically singular region where right wings are stronger (conservative). People in Osaka are rather clever and confident, so ruler may fear for their **political awaking**. That is, **political manipulation** (by CIA) against Osaka may be stronger than any other region. Then sometime author notice German connection in Osaka people. Osaka opinion leaders is stronger for anti-Jew.

Also Kyoto and Hiroshima might be German connection ?.

*Once NAZIS hated Christian-ism due to Jew and was friendly with Buddhism without God.

(b) **America now is almost German ruling nation ??!!<sheeple become robots>**

God loved Jew, but not German !!??. This is the problem destined mankind's future.

<http://www.777true.net/Liberation-Theology-the-Historical-Validities.pdf>

If German American could turn their delusion, the global revolution could be possible.

The mankind's destiny would depend on their will.

German American is the largest ancestry group in the United States. **Rockefeller** the

American empire is German origin. **Bill Gates** the software ruling empire. Von Braun the

Rocket engineer for **the military industry complex**. By careful observation on various fields

in USA, you could find German American ruling at anywhere in administrations, journal,

science, technology and business. America is invisible **TOTALITARIANISM** nation where

many things are insidiously manipulated (operated) by **an organized will** <Why can such you not American tell so?, see  >. Following are ideology of the skull and bones.

<http://www.worldfuturefund.org/wffmaster/Reading/Quotes/hegelnew.htm>

PRIMACY OF THE STATE VS. THE INDIVIDUAL

"In civilized nations, true bravery consists in the readiness to give oneself wholly to the service of the State so that the individual counts but as one among many. Not personal valor alone is significant; the important aspect lies in self-subordination to the universal cause."

"A single person, it hardly needs saying, is something subordinate, and as such he must dedicate himself to the ethical whole [this whole being the Nation]"

: Once author was employee of (Yokogawa) Hewlett Packard Co where he met psychological operation due to communist doubt. Then people (not only company men) around him played **actors manipulated** by a scenario for indicating him a certain unified will. After the war, **totally organized CIA networks with anti-communism ideology** were established in Japan, which had invaded every field of business, education, administration and various regional orgs with police. → (c) **5**

By the outrageous outlaw of **9/11 US special troop inside job**,but not Muslim criminal, USA and the world had become known terrible fact of military industry complex criminal,but silent and paralyzed without action against the unprecedented injustice.Especially brutality & cruelty of **ISIS**(ISIL)is outstanding,which are made in evil USA who want perpetual war.

<http://www.777true.net/It-is-us-who-are-on-the-GermanWings-Airbus-A320-whose-door-is-firmly-locked.pdf>

Eisenhower was German American and respected by his farewell address (prediction on **military industry complex**). There may be an unfavorable German empire in USA. Now German American has been his invisible, but strong tools in empire ruling. Their silent solidarity motive is due to strong complex by the twice times war defeating and by historical outstanding abilities of Jew. They consider history was conspired by Jew. Above all, they hate Jew because God loved Jew, while themselves German were not loved. They consider so. Review on German and American history, there are evident aspects of race damned. Above all, German deed on holocaust against Jew is nothing, but something damned. Especially exploitation and cruel ruling on **South-America** after the war and on recent years **Middle East** by USA with CIA are remarkable. It may need outrageous volume to describe details of America's brutal crimes for other nations.

http://www.777true.net/Opting-big-hell-of-all-in-long-term-for-evading-elite_s-small-hell-at-now.pdf

(a) German is cautious and nervous for who are different from them (**homogeneous orient** ~ strong racist tendency), while French or Italian are generous for something exotic (the success of Roman empire employed commanders of that local regions). In history, German are the last emigrant race, which means deficit of cooperation with others <**schizophrenia**>. Extreme egocentricism (for example, America is exceptional nation due to delusional dream, but not exact reality) without care on different people has been the cause of troubles.

(b) **monarchism by violence ruling.**

Themselves are good at becoming **fighter** by making strong unite under a strong ruler <**monarchism**> by setting enemy outside. King may be due to killing

(c) **Liberation from barbarianism (violence ruling) by establishing religion (Jew).**

Jew were liberated from slave in **Egypt monarchy regime** to establish **Judaism**.

Origin of Judaism is due to **Moses the 10 commandment** <**ban on violence**>.

Jesus Christ in Judaism initiated teach of {justice, truth, philanthropy} toward co-live not only for Jew, but also **for all races**. It is **liberation theology** (= **peoples equality in God**) against brutal monarchism <=**class struggle**>

(d) **Non-violence (Moses 10 commandment-Christian) vs Violence (monarchism)** .

Monarchy regime were established by violence, while Christian-ism endeavored making social order without violence, but with {justice, truth, philanthropy}.

(e) Above mentioned factors (c)(d) by Jew shall be against **monarchism** (especially German) However endeavor for democrat revolution against monarchism by Christianity could not succeed. And compromise were made between monarchism and Christian

“The Christian religion was intended to be a political revolution which, when it failed, became a moral one later on”J.W.Goethe.

(f) In modern era of French Revolution, Jew was to be liberated from slaver status. In stead of Christianity, **Marxism** began trying to liberate people from slaver. Then once again **capitalists** the new monarchy became worry on the movement <= **class struggle**>.

(g) **NAZIS** the anti-Jew machine was established by the **capitalist** <(2)(c) ③④>. After all, German the right wing had done as anti-revolution. At now German the right wing once again will have done as anti-revolution. **They have been being dogs of capitalists.**

(h) Mending **deadly Climate Change** needs **emergent global revolution**, while **German(American)with Rockefeller** has been doing as anti-revolution. <http://www.777true.net/IPCC-the-injustice.pdf>

☞ : In the movie **JFK**, Mr X disclosed the **organized conspiracy** by the military industry complex with CIA. Those are almost inheritance of **NAZIS** Germany (op paperclip). https://www.youtube.com/watch?v=BFK1fr_skew

☞ : It is famous that UN building land was donated by Rockefeller. In authors view, almost also **UN organizations** are connecting the emperor's will. The proof is your work.

☞ : **Bilderberg's** substantial boss may be Rockefeller, so **European elites** were his subordinates.

☞ : IPCC of UN was given Nobel Prize, however they are **the most dangerous liars**. Thus Nobel prize could be effective deception to rule people by the authority, but not by scientific fact. Also Sweden (imprisoned Julian Assange the wikileaks) may be ruled by Bilderberg.

(i) According to Al Qur'an, God was equally generous for all races and sent holy messengers. Author think **J.W.Goethe** may be the holy messengers for German. He was evidently theist!

(j) Note GDP1-2-3 nations are USA, China, and Japan. Author considers those nations are **anti-God nations** who has been accelerating global extinction in climate change. Author also thinks **collapsed China and Japan** are **Godless nations**, however once they got a chance to be given a message from the holy messengers.

APPENDIX_1: Religion as exact Science.

<http://www.777true.net/Proof-on-God.pdf>

For most of long his life, author had been atheist. But finding almighty logic of quantum vacuum had decisively turned him. At that time, author's the most agony was evil politics ruling. Then by reading the Bible and Al Qur'an, he could get some important relief.

It is very simple, but exact teach of justice, truth, philanthropy (= God). In other world, now secular world has been being ruled by Satan (injustice, lie, hatred toward chaos). Those are just prophesied by the holy scriptures. Religion is political and logically genuine !!

Then he observed the established religion societies, and found them too conservative due to long historical formalization. Now he wishes their taking global solidarity policy of fighting religion against the wrong ruling world <Liberation Theology>. Especially the climate change has been becoming fatal, which would need global revolution. God doesn't want coming doomsday, but realizing our massive repentance

<<historical class struggles and the destiny of Jews in the upside down world>

<http://www.777true.net/Essentia-Criminal-for-Causing-the-Massive-Palestinian-Refugee-isEUR OPE-USA.pdf>

Telling from historical summary, Jewish people were messengers for liberating mankind from ancient barbarianism ruling with violence without law ruling toward democracy of justice, truth and philanthropy(God). These are religious teach of Moses ten commandment, Judaism, Christianity and Islamism. These excellent teach had been welcomed in many peoples. On the other hand, as the consequence, they had become hated by nobility hereditary rulers in WEST feudalism and militarism nations. This hatred is nothing, but the origin of right wing who have been against Jews the outstanding revolutionary ability in every field in the upside down WEST. The last decisive and brutal persecution on them was that by NAZIS. **NAZIS was founded by the USA oligarchy in order to perish Jews !!**

As the consequence, establishing Israel was initiated and to cause today's perpetual dispute between Palestine. After all, Israeli of today was destined to dispute with Muslim nations, which has been proxy wars by hidden West who has been hating also Islamism and stealing oil and etc resources in Africa. That is, Israeli had been trapped in the worst hell. Now they have been surviving by accepting all hatred against them with aid of NAZIS reincarnated in USA the most upside down nation.

<http://www.globalresearch.ca/netanyahu-kills-palestinian-children-israel-bombs-gaza-children-hospital/5393292>

Netanyahu's killing Palestinian children may be an indication of Israeli desperate situation.

<http://dissidentvoice.org/2014/07/on-israeli-defeat-and-the-future-of-jewish-politics/>

Israel can not solve its problems by military means. The situation is desperate for the Israelis. They have started to realize that they are stuck within a political, ideological and cultural stalemate. Israel is unable to conjure an image of a resolution. There is no prospect of future for the Jewish State. The desperate fights between theists (Israel and Muslim nations) is insidious trap by WEST. Final relief for both Israeli and Palestine (Muslim nations) is to notice real their common enemy (the atheists) to stop barren and absurd long disputes by anymore and to debate toward solution for real common liberation to co-live (for theists)
