

The Power Conflict at now World and the Reckless Military Industry.

Due to strong malicious the warmonger,now Trump Presidency had turned promised policy of no war,but peace with Russia.We all must do not only accusing the Presidency,but also revealing and making global aware on the Evil Being in USA. 2017/4/17,18,26.

[1] :The Essential Motive of War-monger the Military Industry Oil Complex.

(1)To know motive of **the real enemy** behind the visible stages.

① *good profit by perpetual war*, ② *but no own die by war*. This is the egocentric war monger they hate both **peace establishing** and **battle decision** to cease fire in wars(*1) due to fear for losing their business in wars.This is nothing, but evil the supreme.Culture of war monger may be a kind of **decadence of atheism**,which might lead them toward unconscious suicide. Because It is themselves who had well known insanity of own business.

(*1) <http://tanakanews.com/170414korea.php>

(2) Trump with less strong friends had been trapped !!

Then note **Trump presidency** recently referred to **regime change** in Syria, but not in North Korea (NK). It is entirely upside down. Because **Assad** (the former doctor in UK and has been supported by the nation people) is not corrupted without chemical weapon and nukes, but **Kim Jong-un** is terribly corrupted **100% puppet** (educated in Swiss and brutal dictator in hell famine nation) **of the warmonger** and is with **nukes**. It is entirely due to threat of NK nukes that enable **US war business** and confusion in people mind in South Korea and Japan.

(3) Dangerous Factors.

*"Syria is not what the mainstream media wants us to believe it is. One has to see it, to understand. Seeing is believing! It is **an extraordinarily exceptional country**. All that we have been told about Syria and its people is a lie."*

Trump has strong obsession with Israel. Also author deeply worship the historical Jew People's **outstanding devotion for liberating mankind**. Unless them, there would have been nothing the world today. However Israel today is singular enough to be puppet of **WEST the atheists** who has been endeavoring to make both Jew and Islam the theists bad !!.

Trump suggests China is making 'unusual' moves regarding North Korea

<http://koreajoongangdaily.joins.com/news/article/article.aspx?aid=3032517>

Apr 21,2017,U.S. President Donald Trump said Thursday "some very unusual moves" have been made by China over the past several hours, adding that he was confident Chinese President Xi Jinping would try to pressure North Korea over its nuclear and missile program.

North Korean at now is very rare desperate hell state of huger with strong brutality. It is historical shame state never seen before due to the warmonger USA. Note, by the warmonger, also Japan has been puppet (but the most bonder) nation with the history of Hiroshima-Nagasaki and Fukushima of unprecedented nuclear disasters in mankind history. Also note 38% of foods supply rate by own production which now has been facing coming climate decaying era. That is, **today's North Korea might be tomorrow's Japan and South Korea ??**. Now North Korea declared 1st attack US military Base in Japan. **Something making strong ally among China, South Korea and Japan is urgently necessary to intercept puppet NK burst.**

(5) **Possible coming world (with the warmonger USA) for the time being.**

After all, there is a unique and only scheme, **the war monger (USA)** vs **against powers**. The war monger is also called **deep state**, CIA-military-industry complex the reincarnated NAZIS.

① **Total Nuclear WWIII triggered by North Korea (atheists).**

Even the warmonger at now could still not accept so supreme desperate.

In order to trigger, **someones extremely crooked** are decisively necessary.

WWIII warnings by **the media** at now world is entirely due to ③.

* The perpetual warfare in Middle East has been being told (by the media) so dangerous to trigger WWIII, their hate between them are so strong, however they (**theists**) may be in fact so cool not to trigger the ridiculous action **both by Israel and other Arab nations**. In the other hand, **North Korean** has been being ruled by **USA**. In fact, **Russia and China** has entirely been being cautious on first strike by **USA (atheists)**.

<http://www.777true.net/Mutual-Assured-Destruction-Principle.pdf>

② **Accomplishing Peace Talk toward Cease Fires.**

So long as the warmonger has been as the were, it is hard. The success or failure would depend on **massive global political movement with decisive the fact recognition**.

Simultaneously American internal revolution is necessary <[2]>

③ **Keeping the tension between the nations (ruling by war threats as it has been).**

The tension is stronger, their war business income also become higher. Also various domestic difficulties with the accusations would be evaded and suppressed by war fear.

It is this mechanism that could interfere ②.

[2] : **Diagnosis, Transforming, and the Reaction ?!**

After all, military industry may be decisive cancer who has been seeking wars.

Note their business is selling death, it is which that has been causing the insidious and brutal world. Then how to transform their business ?!, at first, mind transform may be necessary.

Once also author was **engineer** (electronic measurement instruments) employed (Yokokaga) Hewlett Packard in Japan for 1971~1976. Then a colleague told me the most favor work for engineer is **war technology**. At this time in Syria, brutal Sarin gas was spreaded, which was once occurred in Japan by evil religious cult **Aum Shinri-kyo**'s subway attack in 1995 (6 years later, 9/11 at NY was told also religious cult Al Qaeda).

It is told the member are many educated in **science,medical,and engineering**,but not social and human science.A Bomb,MOAB(mother of all bomb),Drone remote controlled bomber,and HARRP earthquake weapon were all product by engineer and scientist.**After all ,engineer may have double faces of Angel and Devil.**For example,**HAARP engineer and scientist** profiling may be as follows by author. AIDs & other bio weapon developper may be the same.

* **HAARP** is transversal EM wave radiator stimulating ion sphere to re-radiate **Charge Density Wave** toward ground ,which **destruct chemical bonding** of earthquake hypo-center. Ion sphere is Harp the music instrument,while the radiator is the devil player.and earthquake may be killer dancer

(1)**Supremacists** who boast own ability(high IQ?) and discriminate colored races.

Following nations were once target of HAARP the most insidious weapon in the history. Haiti,Japan,Indonesia,China,South America are almost nation of non white races.

*** *HEGEL AND TOTALITARIANISM THE CULT OF STATE POWER***

<http://www.worldfuturefund.org/wffmaster/Reading/Quotes/hegelnew.htm>

A:By setting enemy,and making perpetual war toward hegemony winning.

THE GOOD OF WAR

"War has the deep meaning that by it the ethical health of nations is preserved and their finite aims uprooted. And as the winds which sweep over the ocean prevent decay that would result from its perpetual calm, so war protects the people from the corruption which an everlasting peace would bring upon it. History shows phases which illustrate how successful wars have checked internal unrest and have strengthened the entire stability of the State. Not only do nations issue forth invigorated from their wars, but those nations torn by internal strife, win peace at home as a result of war abroad."

B:Nation and people are those who should be exploited by nobility hereditary.

PRIMACY OF THE STATE VS. THE INDIVIDUAL

"In civilized nations, true bravery consists in the readiness to give oneself wholly to the service of the State so that the individual counts but as one among many. Not personal valor alone is significant; the important aspect lies in self-subordination to the universal cause." "A single person, it hardly needs saying, is something subordinate, and as such he must dedicate himself to the ethical whole [this whole being the Nation]"

(3)**Poison(supremacism) might be detoxified by Dice throwing ?!**

A white supremacist is due to **historical trauma** in their mind grown in **perpetual wartime (against enemy races)environment** in ancient Northern Europe where life resources were not rich.Supremacists seems race in region of economy.Once Goethe told **war,pirate and trade are trilateral**,which are all bad results in struggle for life resource.While black African never had caused world wars and fatal climate change .Thereby races in less life resources could not be told good,also races in rich life resources could not be told good.Those are **mere accidental result of dice throwing at here earth history** .

* There are infinite earth in parallel universe where anything could occur.

As the total consequence,**God never throw dice**....Albert Einstein,

<http://www.777true.net/The-Fatality-of-Predestination-Theology.pdf>

<http://www.777true.net/img008-Quick-Guide-to-Quantum-Gravitational-Dynamics.pdf>

* Chemical evolution is stochastic process,that is ,perpetual dice throwing process.

<http://www.777true.net/img007-Quick-Guide-to-Quantum-Stochastic-Mechanics.pdf>

(4) **job transforming**(case study by as for author).

① **motive for becoming scientist or engineer.**

It is an **ambition to research truth**(many expect to get fame by success)behind **complicated unknown phenomena** in nature by own ability based in math,dynamics, physics,chemistry,...Or It is an **ambition to get success** in design and building **useful something mechanism**,... It is also an **exiting game** of success or failure.

② **encountering needs→overcoming diffuculties !!!.**

Author once had fundamentally **quitted** research in Quantum Gravity Dynamics in 1995. Because he could seen essential whole of view of it=a completion since 1993 when he found gravity field becomes complete gauge one. In 1993/10,US congress declared abortion SSC 120B\$ the **fake** Higgs particle searching device in Texas.

<http://www.777true.net/img008-Quick-Guide-to-Quantum-Gravitational-Dynamics.pdf>

And then he turned his research in charge density(=B) wave technology.It is inheritant work of the great electrician **Nicola.Tesla**.This is technology of creation electrical energy from “o”.

<http://www.777true.net/BWG.pdf>

However,he encountered difficulty of getting dielectric **crystal** material. Since 2007,he began to engage also in climate dynamics and seismology one.Because those had become **decisive needs to survive**.As also you see,this is the supreme needs !!.In these experience, author could keep **same motive power** in any those tasks.He also engaged even Economy Dynamics,which was inspired also from decisive needs.It is a dream of all to realize high fidelity computer simulation model of real economy dynamics.

<http://www.777true.net/Quick-Guide-to-Economy-Network-Dynamics.pdf>

③ **summary:**

It is **strong needs** that make **strong motive** to research and development !!!.

(5)**Discussion:**

① After all,job transform in the **reckless military industry** is decisive to cease fire.

The engaged engineer and scientist must be awaken toward **new needs** !!

② **Decisive needs at now is developing tools to settle down climate change !!!.**

(a)Urgent implementation of **Arctic Cooling Engineering** to stop Methane burst !.

(b)Urgent implementation of **more than 80% CO2 cut engineering** !.

(c)Urgent design and implementation of **global climate wartime regime** !.

(d)**technology making global fact recognition toward action**

③ The highest priority **tech** at now world is **making global fact recognition toward action**.

(a) **Authors position:**

Dont care for authors status or personality,which are entirely no concern with truth.

(b) **the science society against author.**

Author was once active as a physics researcher and established some theories on quantum physics,etc and economy dynamics.All of those has been being neglected by science society the authority.It is a damage for author to get more support for his articles in his website.

(c) Global websites must do decide **the highest priority lanking of the global problems**.

The aim is strong and world wide **global fact recognition toward action**. **APPENDIX_1**

④ **Technology on Business Ideology Transforming.**

From **something strong and valid view**,it is decisive judgment on quitting wrong business with the wrong ideology. Or it may be **the market shutting down by the demand side**.

At now,we should not consider tommorow is same as yesterday,because **the environments** had drastically changed in the saturarated global economy with the decaying climate.

It is so to say facing wall not overcoming,unless our drastic **transforming**. It is well told joke that, in facing problem, those with hammer is to claim answer is hitting,baker may be selling bread,**those with military power is war making**,...As such ridicule **conservative ways**,none could invent real effective solution on the difficulty.

⑤ **Technology on Industry Transforming.**

Losing old market with company assets(manpower and facility) and initiating new investments(developing new market with manpower and facility)are essential and fatal load in coorporate managing.Then how to reduce the heavy load ?,An answer is creating **Industry Transforming Business** with National Policy. Then,to tell for the very beginning, it is decisive to burst **big and decisive strong motive to transform**.

In these serious matters, above all, (4) is decisive who has been against (1). It is this that has been causing America not great!. That is, mankind destiny is up to American.
