After all,the fatal failure in Oil Civilization had caused triggering "Operation EndGame" now.

Then we must opt to do(turn the World)or die(in Operation EndGame the final survival one).

Almost world Journalism is ignoring fatal Climate Failure the extinction bomb<APPENDIX-1>

While NWO had to launch preliminary operation EndGame(Covid and Ukraine War,...)

in order to establish ruling by Fake & Fear against people for not becoming rioter.

Now the almost nation leaders are their(NWO)agents the traitor against people.

Especially note in coming climate collapse times,a nation could not save all the nation people by anymore,which never fail,but would cause social chaos toward regime change.

<http://777true.net/A-Possible-Worst-Case-Time-Series-toward-Glacial-Extinction.pdf>

Now they betted to launch the fake and fear Covid and Ukraine war as operation EndGame.

It is fragile multilevel fakes,which could be defeated by our the unified facts exposing.

However keeping total winning is harder.The necessary tasks for real winning are summarized in following fig.Unless the counter treatment,the vaccine would cause outrageous disaster hereafter.<2022/07/05>

## [1]: Global Ruling by NWO with Secret Agents.

*“Entirely denying all visible, but pursue who supremely rule this world in the deep behind”,  
..... this is told by “Dr Faust(Goethe)”.*

Following are story on NWO with agents the traitors(theatrical actors) against nation people. At first ,we must know fact on unique and only real our enemy NWO.

“Once Marx called for *solidarity of global labor class*, while the actual may be upside down, it is the top elites class ,who are even superficially against with each other at stage before our eyes,,but make *secret collusion* for their best benefit in behind our eyes,.

This may be incredible for the almost amateur people, but decisive fact detected also by author himself. They are the wealthiest(entrepreneur) and royal the hereditary and their henchmen group. Leading politicians(theatrical actor) with bureaucrat elites, academy organization(~Novel prize)-established big media(theatrical director), that is, rulers on political power(congress-military-police), money(goods) and information.

### (1) NWO the Satan Ideology < Bilderberg the highest class vs class struggle >

Top hereditary elite who has been surviving for the most long time may be the evil ruler of this world, They are” *wicked spirit in high place(the Bible)*”. You must imagine their mind !!!.

Those villains who sit visible top front position to lead nation are mere agent(traitor) by them.

#### (a) NWO the Satan Ideology < Bilderberg the NWO centra >

*Joe Biden just now - “There is gonna be a new world order out there and we’ve got to lead it”*  
[https://tocana.jp/2022/03/post\\_232698\\_entry.html](https://tocana.jp/2022/03/post_232698_entry.html)

Once a person sat the highest position never fail, but be **worry on his falling to down world**.

This is the supreme evil origin of **ill will motive** to rule people not becoming against them.

Their supreme stage becomes to conspire **depopulation plan( Operation EndGame)**.

Thus **Class Struggle** by K.Marx becomes really true(not to make highest position hereditary)

Or it is so called **Democracy** that demand **best leaders** must be not hereditary,

but competitive selection one in equal opportunity for all members.

\*Note **Jews** since era of the Exodus from Egyptian tyranny is none, but **the historical class struggler**, so they had become persecuted in *European Hereditary Regime* for long.

Some of them are compelled villain actors to survive in the extremely persecuting regime.

#### (b) Operation EndGame (by Bilderberg)

*For the New World Order, a world government is just the beginning. Once in place they can engage their plan to exterminate 80% of the world’s population, while enabling the “elites” To live forever with the aid of advanced technology. For the first time, crusading filmmaker ALEX JONES reveals their secret plan for humanity’s extermination: Operation ENDGAME.*

In End times final survival struggle (op End Game) by NWO is the most important concept.

Some tell it *the Great Reset* by NWO..

(c) **US Military Strategy toward Unipolar World(=NWO)..**

They are henchmen of NWO. The invisible purpose of the Ukrainian war is to overthrow Russia, and China toward establishing **unipolar world the ultimate fascism ruling**.

Western Europe, East Asia, the former Soviet Union, and Southwest Asia, Not only do their utmost to prevent them from growing into rivals, but they also set out the vision "DPG Draft" to control energy resources and build a new order led by the United States.*

**[2]: Ruling by Agent with The Secret Mission.**

(1) **Harmful Leader the Traitor.**

*"Politics of Fear and Fake "* is fraudulent and threatening, but **not justice and fair**, which puts harmful pressure on nation people. It is tools for traitor against people (democracy).

(a) Some were compelled to live in extremely absurd environment (racial, ideological, or religious persecution), they consider something injustice are allowed for their survival.

(b) Some are **highest position the exploiter against massive people** who fear possible their status decline by revolution, they consider injustice necessary for their regime conserving.

(2) **Prologue: A nation leaders who face toward the evil Axis, but not people? !**

Even during the Soviet era, there was the top leadership's secret collusion with USA the connection called Vodka-Cola, . So, also in modern China, there is a secret collusion between the top leadership and US, which was made possible by the support of the US <+ minions Japan>. Moreover, in other nations on the earth, there is a secret collusion between the top of USA and the top leadership of that country.

\* Certainly there are anti-USA leaders, and I don't think that all terrestrial nations are under US control,

\* Historically, it is a relative story, but there may be local indigenous people and relocated residents, and the latter is defined as **guest** race.

(a)"**Protocol Zion**"caused Modern Worldwide **anti-Semitism** .

This is *Political Conspiracy and Technical Guidance Book for Government Acquisition*. "Protocol of Zion" was presented to Nikolai II and is told to have "tuned direct hatred against imperial Russia to the Jews." The original story is "Dialogue between Impeccably and Montesquieu in Hell", and the newspaper "Times" reports the comparison with these, revealing the forgery. The book is told to have been widely disseminated worldwide and had a large influence on the modern *anti-Semitism*.

The Ukraine-Russia war is between originally relatives,also Israel-Palestinian is between historically friends nations,all of those were secretly conspired by *anti-Semitism power?!!*.

The revolution and establishing the regime had been secretly being supported by the west wealthiest power(***the connection Vodka-Cola***).Even at now Ukraine war, the President of Ukraine confess Jews, the President of Russia and USA may also relate with Jews, The story becomes simplified,that is, **if the national leader love people, there can do no "the politics of fake and fear" !!**.Even being as Jews,also some of they do fatal mistakes.

(5) **Modern Japan Ruled by the Agent of UK & USA,**

UK turned Japan to **Kingdom** nation (1868) from **Tokugawa Samurai dictator** (with **France** the republic power) by employing almost unwell known **Koreans** sect (Choushu district power),  
Since then, they kept military nation until 1945 to cause becoming colonial nation of **USA**.

(a) **History (the Shortened) toward establishing Korean descendants ruling in Japan.**

The Meiji Restoration of **monarchy regime** (1868) is known as the British conspiracy.

<The biggest rebel against Tokugawa (samurai dictator) is myself, ..... T Grabber>.

He was weapon merchant having imported used firearms from USA after the civil war, and sold **anti Tokugawa power**. After all, Tokugawa was defeated to establish kingdom.

The victory of the Russo-Japanese War (1904~5) was by help Rothschild .

<Korekiyo Takahashi the finance minister and Kuhn Loeb & Co of the wartime loan>

Japanese emperor (**military general** 1868-1945) is not native, but **emigrant Korean descendant**.

It was they who once launched **Korea Peninsula invasion** (1910~45) which turned to cause their grudge today. Japan emperor had forced also to launch **war (1941) against USA the not winnable**, which turned Japan **the colonial nation of USA** still at now <APPENDIX-4,5>.

(b) In the past, author was being worried the political administration of this country "**has ill will**

**against own nation people!**". Stupid he recently noticed they are US agent. He opposes

ethnic discrimination, but his intention is **class struggle**, if the current **guest ruling** system

continues, coming future would be as miserable because it is **malicious plan by the hatred**.

(c) **The Ruling Fact by the J-Koreans in Japan.**

Korean Japanese (=J Koreans) total population is about **1% less**, while their ruling in politics and corporate seem amazingly far more than the population ratio.

(d) **The Damned Cultural Aspect of Koreans**<APPENDIX-5>..

☞ : CIA employ **person with hatred** as their agent, who were once discriminated in Japan. Hence **the original sin** is in haughty Japanese who discriminated Koreans & communists. However, also they have evident **harmful misunderstanding and acts** described in following.

*"the traditional deep grudges converted into **energy to live**" is called "han".*

It is fatal grudge caused by that they could not have turned the insulting rule of China for long time. "**The grudge motive force**" are ruining both themselves and us Japanese, Note Tokugawa era had been keeping friendly relation with Korea (**Korean communication delegate history for 200 years**). (f) Looking back damages by **CIA agents** (the ethnic emperor's son in Japan, communist party henchmen, 731 medical society, police-judicial the USA agent, ..... black magician?), also author has serious aftereffect by the damages. They entirely tried to destroy author brain work. His livelihood environment has been facing trivial?, but perpetual illegal acts toward invisibly weaken his ability. His connection with **acquaints** and with **money** has been strongly being damaged, which has been intercepting **the realizing in his engineering and political aims**.

(6) **Ruling by Communist The Actuality.**

(a) **Communism**

Establishing of a proletarian dictatorship communist nation, the ideal for class struggle (= democratization) victory, is communist policy. The failure of communism may be Nationalized Production, which, after all, could not work well without secret capitalists support. An enterprise the Party initially became poor, which turned to cause their visible and invisible betraying thereafter <[2]:(2)>.

(b) **The fact on betraying of communists operated by CIA in behind the scenes (A)**

*Tell to general majority secret members*

The biggest obstacle is that national and local governments have fallen under their hate ruling <CIA henchmen> over wide and deep areas <judicial, police, medical, welfare, public research-education, administrative works, etc>. Currently Japan has been being dominated by the guest politics + JCP administration. Dentsu is the world's largest advertising agency who rules commercial media, acting as a CIA agent. Note, if the current guest ruling system continues, the future will be as miserable because **it is malicious and hatred plan.**

(c) **Fact on the historical Communist Party (B).**

In proletarian dictatorship as the result, production did not work well and the top of the leadership became politics of fear as internal struggle due to people reaction. Massacres and man-made hunger occurred in Stalin, Mao Zedong, and Pol Pot. Deng Xiaoping (also Putin), who survived the terror politics, was familiar with it and practiced **the capitalist road policy, production was capitalism, but bureaucratic was communism.** Cancer is in the latter. In fact, class struggle did not end, but it became **bureaucratic aristocratic dictatorship.** Xi Jinping General Secretary is **hereditary** leader, now accelerating advanced electronic fascism ruling in China without substantial care on coming deadly Climate Collapse.

(d) **The Defeat of Materialism Atheism**

*"The Western world is now orderly by Christianity, if not .....", told by a physicist.*

Religion gives people **an uniform moral basis**, Once also author atheist who found theism as a scientific conclusion, spontaneously turned to theist.

However, advocating (old) scientific communism, communists had become atheists.

***IF GOD DOES NOT EXIST, EVERYTHING IS PERMITTED – DOSTOEVSKY***

Stalin In the past, a Theological student, he turned a communist, and his purge politics killed **10 million** Russians. Hitler Nazi Jewish Holocaust exceeds **6 million**. Cambodian genocide by Pol Pot (**1.5~2million**). Mao Zedong, "Great Leap Forward" period (**45 million**).

#### [4]: The War Economy Comparison and the Possible Outcome.

The aim at here is not anticipating war result, but solving how to rapidly accomplish truce. Though, author could not solve, however he can show why it is decisively necessary !!

*Winning or losing war had already been determined before the war..... Sun Tzu*

The Ukraine war is superficially regional, but substantially global between East and West. Such war is a collision of **war economy power** especially in long lasting attrition war. While **leading mode on war strategy** has another aspect of one man dictator versus expert group consensus, former could be irrational, while the latter is rational. One man leading president Putin would destroy own nation at last in the long lasting war ?!

#### ① What determine Victory or Defeat in War <strategy, operation, tactics>.

Author could found **military analysis on Ukraine-USA-UK side**, so following is his guessing.

- ① To tell from the very origin of this time war, it had become evident that at first **USA side began injustice invasion to the east Ukraine** since **2014** to cause **2million refugees** of **Russia language Ukrainians** to Russia and having trapped Russia into this time war.
- ② The purpose of USA is **defeat Russia** by the long time planning with the huge cost.

\*someone told Ukraine would become Russia territory by the war due to US-Russia secret collusion.

Then what would become US benefit ?? Ukraine has **secret bio-lab of USA**,.....

#### ③ The War Economy Comparison tells Evident Victory of USA !.

*Russia's military spending (65.9B\$), the US's (801B\$). China (293B\$)*

<https://www.dlri.co.jp/files/ld/186863.pdf>

**That is, no winning possibility of Russia**, hence **Russian Military Officer Assembly** opposed the war and demanded the president resignation at **2022 January** ([click here](#)).

As for nuclear war strategy, maybe Russia has sufficient ability for counter attack against USA by their limited budget, hence their conventional war force became weaker.

*Note nuclear war will never happen due to the military gentlemen secret collusion.*

*It was these **office generals** who resulted the victory or defeat of World War II. They devised and carried out **huge plans to mobilize, allocate, and effectively use the resources of USA-UK, respectively, and demonstrated outstanding war guidance.***

**Analyzing Russian troops' invasion of Ukraine-A prominent imbalance in purpose, method and means-Yasuhiro Kawakami, Principal Researcher, Security Research Group**

[https://www.spf.org/iina/articles/kawakami\\_03.html](https://www.spf.org/iina/articles/kawakami_03.html)

Looking at the early times progress of the Russian invasion in Ukraine, the purpose and means of the war are **conspicuous** and there are **failures**, typically withdrawal after the invasion of Kyiv and the death of many frontline commanders. Considering the economic power of the war of USA-UK, ... the behind Ukraine, the war is expected to be prolonged.

## ②The War Economy Comparison.

(1) **In the long lasting attrition war, Russia would be defeated?! West has much money!**

As of 2021, Russia's military spending share is only 3.2%(65.9B\$), which is close to Japan's 2.6%, which is incomparable to the US's 38.5%(801B\$).....China 14.2%(293B\$)

<https://www.dlri.co.jp/files/ld/186863.pdf>

*Biden signs \$40 billion aid package for Ukraine during trip to Asia, MAY 21 2022*

<https://www.cnn.com/2022/05/21/biden-signs-40-billion-aid-package-for-ukraine-during-trip-to-asia.html>

Considering their limited military budget(3.2%), they may have strongly researched and developed the final nuclear warfare system, but not conventional weapon system?. While, USA(38.5%) developed also the latter due to their many actual experiences in the long years past. At this time war, both they never launch a bomb weapon by secret collusion.

**USA side has stronger advantage in the weapon production ability in the war of attrition,**

*\*Retired colonel speaks out on Russian TV*

<https://www.bbc.com/news/world-europe-61484222>

*Ukraine receives additional military assistance from the West ".*

*Our resources, military-political and military-technical, are limited."*

(2) **The military morale in the singularity of the strong fake war.**

In the 4 months war, many become to indicate rising more war weariness moods in both nations. As for soldier mobilization ability, both they would become bad due to the mood. In Ukraine with corrupted the ruling class, many young had escaped own nation by draft evasion, Ukraine had to employ many foreign mercenary by stronger money.

<https://tanakanews.com/220429baud.htm>

President Putin may have lunched the military deployment without sufficient careful preparedness, because some his brain told no thinking of war launching until the war decision meeting(2/21). The sending soldiers were deceived as military drilling, and the consequence were told incredibly sloppy<①②③>. The war by Putin is not strict, but uncertain in the purpose, operation and tactics(many told).

The deadly trio presidents Biden, Putin and Lewinsky are all secret agents who are working the collusion to last the fake and unmoral war as long as possible?!!!.

At now, also many become to agree the war would last long hereafter <the conspired smoke screen in the end time world>

(3) The long lasting war would be fatal to intercept emergent tasks in climate, Covid, foods....

**Both Ukrainians and Russians** with their friends must recognize their deadly responsibility for the world people now heading toward global extinction (Arctic Methane Catastrophe, etc).

It is none, but they who could rapidly cease the war only by their consensus !!

Now yours presidents are working the deadly secret collusion to defeat you, so you should make collusion to exclude the traitors.

Then you could be hero the world saver !!

### ③ Dismantling defeated Russia??

[ 5 ]: **The Summary**(in author's opinion, but not fact certified).

(1) **The Jewish Tragedy in the World History**

Nazis hated Christianity, but instead concerned black magic esoteric Buddhism!

Christianity is due to Jews, and the explanation by Christian priest is simple and logical.

*Jewish ethnic religion → World religion*

*God of justice → God forgiving sin*

Judaism makes enemies because of the goodness!, Christianity tried to overcome it,

*Good deeds, like evil deeds, cause hatred. - McCaberly-*

In an extreme opinion, Christian gospel has only one, error correction = *repentance*,

In the chaotic now world, leaders are Jewish, bought as villains in US, Russia, Ukraine, and France. Author's conclusion is that Jews are employed as **villains** because they lost battle with Germanic elite center.

[http://777true.net/Now-World-Rulers\\_German&Jew\\_Elites-in-the-Despair.pdf](http://777true.net/Now-World-Rulers_German&Jew_Elites-in-the-Despair.pdf)

Also Koreans(in Japan,..) are being employed as **villains**, they lost battle with CIA.

Also Japanese are being employed as **slave of USA**, they lost battle with CIA.

(3) **Russians could substantially win by going a war strike toward rapid truce ???!,**

Author's estimation is Russia's losing war in Ukraine due to **War Economy Comparison**.

The hidden Ukraine war purpose of USA is to establish **unipolar ruling** by destroying Russia and China in the end times world(**operation EndGame**). Their plan may be assured in the technology and finance. Thereby best option at now is **Russia's one sided war abandoning**.

Because the war defeated means collapse of President Putin's government, also which could turn the situation now having become terribly isolated in international relation. the Second Cold War structure is also dismantled, and new Russia could be started.

(b) **The Final Extinction Bomb in East Siberian Arctic Shelf(ESAS).**

Note, Russia also has a natural reserve bomb(ESAS)the ultimate switchless = morally useless one that can destroy the world toward **Global Extinction**.Russian scientists know it.

*Dr Natalia Shakhova told,It might happen today,it might happen tomorrow !!*

*5Gt in atmosphere 2012,ESAS contains 100~1000Gt !!About 100times stronger than CO2.*

In East Siberian Arctic Shelf ,the seawater temperature rises quickly .At the bottom of the shallow sea, **a huge methane temperature-time bomb now is ticking on**,which would attack first Russian to flame,and then the world would be attacked widely by methane fire storms.

The true world ruin is at there bottom,it is far dangerous than Ukraine fake war! !!

<http://777true.net/This-is-the-most-dangerous-zone-against-which-they-are-eager-to-fire.pdf>

The world must support coming defeated Russia at this time!, If you don't support, the world would be ultimately devastated !! →**APPENDIX-1,2**

## APPENDIX-1:

### Hidden, but fatal cause of triggering the End Times now is Arctic Desperate

Once scientists found Arctic Warming in Positive Feedback, which caused their desperate.

→Ice lid vanishing →sea water warming →more ice melting →ice vanishing →.....

Once having realized the feedback, natural process never stop bursting huge Methane.

Thus climate science society the major power had decided to be silent with politicians.

This decision may be welcome by the Oil Emperor Rockefeller (Exxon Mobil), who has been strongly interfering climate policy by UN (IPCC).

Note in major climate activity by government and many NGO, the scientists never go out as top front leader, but they have been being hidden behind not visible for amateur people.

But except few outstanding climate scientists have been warning planetary emergency.

However their opinion never be employed as effective climate policy in politics.

Note CIA do not care on what is told, but what would have been realized !!!

Thus now we have been heading toward Global Extinction (~2040) by warmed massive methane bursting with global fire storm.

However the scientists had done fatal miss-decision, neglected decisive possibility of Arctic Cooling Geo Engineering proposed by such AMEG (Arctic Methane Emergency Group 2013). Even as though, the scientists will not declare supporting to them.

Note a mistake in science had caused unprecedented and outrageous hell world of Covid outbreak and the strong fake Ukraine war,,,,, all of which are mere a smoke screen against the most dangerous warfare the Climate Worsening toward Global Extinction.

This is a report for final advising toward establishing Geo Saving Technology by gathering global genius ability and huge fund in approval by unity of global people with truth.

☞: Certainly the problem is unprecedented and outrageous scaling technology,

However each element is established or highly possible ones. Bet it or Die by no doing !.

## APPENDIX-2:How to cool Arctic and the EARTH !!

Another real deadly battle field is at here **ESAS**,but not **Ukraine** !!

As a whole,the problem seems too hard,however each problem may be not so by the professional ?!.

In order to save the world,**anything possible** must be opted to act.

## 2. Reduction of (fluid-ice)heat transfer into Arctic

<http://www.777true.net/Blocking-Nares-Strait-Gate-to-Intercept-Methane-Catastrophe.pdf>

This report needs **reverification on the data and calculation** by 3rd party.

Note author is not the professional,but a volunteer without help on **trustable data** and theory etc.

That is,this is the deadly responsibility of the researchers at that place !!!

\* Arctic Warming the **Heat Debt/year.m<sup>2</sup>=(~4W/ym<sup>2</sup>)**.

In order to **recover 10 years before** needs 40W repayment(=cooling) by at once.

If cooling accomplish 4w,it could stop at least the warming.

If cooling accomplish 14w,it could recover 20 years before after 10 years later .

Note **intercepting strait flow** may have "**Double Effect**" both for **heat input** and **cool output** simultaneously.

+Then,the global reaction must be counted,especially for stopping warmer inflow.

3. TRM (thermal radiation management, by allowing more thermal radiation into space)

### **APPENDIX-3:Both in the past and now,their insidious ideology never be changed.**

It is astonishing enough that this world had become so disastrous merely due to their mind narrowness. At anytime a small mind(greedy,but not righteous)tyranny,by anyhow, who can not trust people,but has been thinking of the same totalitarianism exploitation and suppression against people.This is nothing,but *wicked spirit in high place*. At now,those mind has conspired the unprecedented evils.

**APPENDIX-4: The Emperor's family, the weapons smuggler, a sales promotion of weapons = pulled Japan into the war because of his own money.**

<http://alternativereport1.seesaa.net/archives/202201-1.html>

(1) At the end of World War II, the Draper clan William Draper was the highest executive of the U.S. Department of War. Despite Japan's unconditional surrender to the United States, he decided to drop the atomic bomb on Hiroshima and Nagasaki.

Drapers massacred citizens of Hiroshima and Nagasaki to test the power of nuclear weapons. This is because "inferior colored race = Japanese people are annihilated with nuclear weapons." At the root of this was the racist idea of the Draper clan, which is common to the Christian fundamentalist church and the Pioneer Foundation run by Draper (see my manuscript "Atomic Bomb Drops on Hiroshima and Nagasaki"). After the war, Draper came to Japan as the superior of Douglas MacArthur as the general ruler of Japan, drafted the Japan-US Security Treaty, permanently stationed the US military in Japan, and established the Self-Defense Forces. The superficial purpose is to make Japan have an army as a breakwater to communist China, that is, to make the Chinese Communist Party army and Japan "wage a war." However, also the Chinese Communist Party Army is an army raised by the US Army, and the purpose of the Draper was to make fight by the Chinese Army directly connected to the US Army and the Japanese Self-Defense Forces directly connected to the US Army, and kill them the Asians with each other. This is to "reduce inferior Asians = colored races" (山極晃「米戦時情報局の延安報告と日本人民解放連盟」大月書店 Akira Yamagiwa "Akira Yamagiwa" Report on the Depreciation of the US Wartime Information Bureau and the Japan People's Liberation Federation "Otsuki Shoten). This policy of having China and Japan wage war and reducing colored races is still ongoing.

The Draper family runs Dillon Read, a military finance company that buys and sells weapons and finances the purchase of weapons. Drapers sell weapons to both the Chinese Communist Party forces and the Self-Defense Forces. Japan and China will go to war to increase the sales of Draper's weapons. Secretary of Defense Perry during President Clinton was the president of Dillon.

During World War II, Emperor Hirohito smuggled a large amount of weapons from Draper, the highest executive of the enemy's Ministry of War, sold them to the Japanese army at a high price, and saved profits to the Swiss bank. The Emperor and Draper, as a consortium for arms trafficking, were engaged in the US-Japan war to promote arms sales.

After the war, the first thing Draper did when he came to Japan was "accounts receivable = collection of unpaid money" for the trafficking of weapons to the emperor. See "Occupation Army Negotiation Secretary Record" Toyo Keizai Inc. (「渡辺武日記 対占領軍交渉秘録」東洋経済新報社).

*At the end of the war, Draper promised to guarantee the Emperor's life and maintain the Emperor's system after the war, in response to the Emperor's unconditional surrender and the begging that he should not execute himself as a war criminal. In exchange, he stipulated that he would not approve unconditional surrender until the atomic bomb was dropped on Japan.*

*The emperor approved the dropping of the atomic bomb on Hiroshima and Nagasaki in advance, and in exchange for that, he obtained an extension of his life and status. The emperor was saved by himself, and in exchange, he gladly agreed to kill all the citizens of Hiroshima and Nagasaki. This is the secret agreement between the Emperor and Draper, who are "companies of the same traders and arms trafficking companies."*

At now there is not large movement on this serious problem due to the decisive **established power of medical authority** who has been strongly pushing the global vaccine policy, but will not admit vaccine sequelae. ## APPENDIX-7:Russian,Ukrainians and Khazar Jews.

Once remind that world war the 2<sup>nd</sup>(the holocaust),Palestine-Israel war,and this time Ukraine war,All of those are commonly related with Jews who has been invisibly,but strongly being hated by **modern anti-Semitism power( NAZIS rooted in the American eugenics power)**.  
Note Russians,Ukrainians and Khazar Jews are originally the same race the East Slabs.  
Now all of them **altogether** are facing outrageous calamities by the evil of West !!!.  
Maybe Jews are not hated simply by bio-race,but **their outstanding ideology and ability** that may have caused their long lasting grudge and fear. This is authors view on them.

Once outbreak trouble in the region,anytime Ukrainians had encountered terrible war tragedy and political suppression with large sacrifices. Maybe because they had Jews and the fertile lands??.The world largest airplane was made in Ukraine.Some told Ukrainian is crooked,if so it might be due to the vastly crooked history of Ukraine ??.Following are citations on past good relation between Russian and USA.

*Good deeds, like evil deeds, cause hatred. - McCaberly-*

If it is true,also they could be hated in “*the upside down world*”.

Some Japaneses commonly told Russians as “once having become friendly,they are more familiar than West Europeans.

Following are authors private opinion due to his experience with regard to Russians.

(1)They tend to entirely pursue something deep essential,but sloppy for trivial matters.

\*Also Latin people seem to entirely pursue arts supreme,but sloppy for trivial matters.

(2)They are compassionate in friendship, while trying to strongly overwhelm their enemy.

\*In Continental Races with many wartime in the past,It may be universal character that they take good care of their friends, while strongly attacking their enemy.

Simple,but Strong Conclusion:

It is the top world sales point proving that we are really your genuine friend(=trust).

While exposing us being enemy never fail,but cause attack against us(=betray).

## APPENDIX-8: Covid-Ukraine Wars for Establishing “Prison nations”? .

Telling conclusion, they fear especially free people, thereby, turning freedom is prisoner.

### (1) Their final purpose.

It is evident that the evil axis of NWO caused the war by planned trapping Russia. Their aim seems destructing both Russia and also their home ground nations West ?!?!  
Imagine their mind, their actual fear may be not only Russia, but also nations at their feet.  
Nation people of Russia and China had already be strongly constrained in the regime of politics of fear, while West had been enjoying freedom for long, which is the most dangerous enough to turn their regime in coming emergency.

Especially note in coming climate collapse times, a nation could not save all the nation people by anymore, which never fail, but would cause social chaos toward regime change.

### (2) The Anti Revolution toward Politics of Fake and Fear.

By Covid outbreak, the nations for the first time, tried and became politics of fake & fear by unprecedented global threat of Covid infection explosion. In addition those, the Ukraine war had caused unintended economic countering due to the strong sanction against Russia.

Above all, the evil ally West has been lasting the unprecedented strong fake propaganda that Russians are outrageously brutal and cruel enough !!. It may have been necessary to launch and keep the long time strong sanction against Russia, also which had turned to cause long time strong suffer (crops, gas, oil, ...) to the nations themselves who joined the sanctions.

### (3) Keeping bio warfare state, but not nuclear one?.

Now monkeypox has emerged as the 2<sup>nd</sup> mass destructive bio-bomb? toward the world.  
***Analysis by the Portuguese National Institute of Health and others revealed that the current monkeypox virus is a "super mutant" containing a new mutation. Almost a new species of monkeypox***

<https://indeep.jp/this-monkeypox-is-hypermutated-virus/>

### (4) Coming prisoner people nation?.

Following is a prediction on coming prison nation by ultra communism regime.

***"Strategic survival in the next pandemic, where 3.2 billion people are infected and 2.17 million people are expected to die?"***

<https://prepper.blog.fc2.com/blog-entry-606.html>

In that world, all basic human rights such as private property, choice of profession, freedom of movement, right to education, etc. are denied. It's already running.*

(5) **Rising anti US mood in EU having been damaged both by Covid & Ukraine war.**

Especially both USA & UK had concerned to launch Covid & Ukraine war. As times go on, West Europeans gradually have recognized the fact and become to turn their attitude towards USA due to their livelihood having become poverty by countering the sanction.

*Dr. Ganser speaks on Ukraine-conflict: The other side of truth*

**Donbass massacred had caused (Russian) Ukrainian two million refugees to Russia.....**

*(Jacques Baud, Swiss)*. Unless those, the war at this time by Russia never happen.

Now **the massive corrupted media** has been lasting strong campaign on Russian the devil.

It evidently had revealed **the upside down world possessed by the Devil.**

(6) In such a extremely suppressed society<sup>(4)</sup>, it is certain many are to wish regime turning.

Of course the ruler have known it and shall make engineering on ultra prison nation.

Above two articles<sup>(3)(4)</sup> are very serious warning, and it's just in line with their wishes.
