

Theists could Begin to Turn the Upside Down WORLD ?!!

<Desperate State in Israel & Palestine insidiously caused by Germanic NAZIS's Strong Hate against Jew>.

2021/05/22

This is due to the history of Class Struggle between Democrats Power and the Germanic Very Stubborn Aristocratic Tyranny, or Theism and Atheism. Now Jew in Israel has been being accused by the world for **their Aparthate Strategy** with violence against poor Palestinian. The long time history of desperate struggle between them may ruin their life and also value of their great historical Theism. This is insidious historical conspiracy against both Theism of Israel and Muslim nations from the atheism of **wicked spirit in high place**. Who had forced Jew to illegally emigrate Palestine? And who support Israel's violence now against Palestinian? Now Netanyahu nation had become NAZIS Israel who has been ruining their great historical devotion of Theism ?!

Israel and Hamas announce Gaza ceasefire: Live

Israeli security cabinet and Hamas agree to Egyptian-brokered ceasefire to halt 11 days of fighting.

In the other hand, the world now has been heading toward global extinction by escalating various kind of insidious violences with not easily visible Atheism.

[1]:By Who and Why Jew has been being persecuted for historical long.

(1)EXODUS<the Origin>.

Judaism(Christianism, Islamism) was historically originated by Jew due to the heavenly revelation toward escaping from their slave state (establishing Democracy) against brutal Egyptian Royal Tyranny. Note before Israel establishing, Judaist and Muslim were friendly.

(2)Ten Commandment by Moses<From Violence Barbarianism to Theism the Peace>.

It is escaping from barbaric violence ruling toward establishing moral for co-live together by all equal people in God. Monarchy is originated violence, while democracy orient peace.

(3)CLASS STRUGGLE between the **Wicked Spirit with Violence and in high place versus Democracy with Peace.**

As you know, this is long historical and deadly mankind task from ancient and at now !!!

Also note at now who? has been planning virus pandemic for why??

Note at now who? has been ruining Climate for global foods supplying Stability??

Technology has shown amazing growth, while politics has shown amazing regression indicating retro-recovering new monarchism ??, COVID19 global pandemic is told counter coup detat by the top elites <USA and UK the imperial> by virus terror ruling..

(4) **Completely Destroying Reconciliation Possibility** by irreversible strong hatred ?.

Once JFK fought with CIA-military complex the NAZIS reincarnated USA, but was assassinated in TEXAS, after that, Kennedy family was to encounter accidents. It is caused from strong hatred against those who once were considered their enemy.

[2]: Turn the Upside Down World.

"If the world is upside down the way it is now, wouldn't we have to turn it over to get it to stand up straight?" -Eduardo Galeano-

It is only the Shaitan that causes you to fear from his friends, but do not fear them, and fear Me if you are believers- Al Quran, 3. Al-i-'Imran

<http://www.alquran-english.com/3-al-i-imran/>

Fundamental Logic Teach as for {injustice; lie, fact hiding, misunderstanding, error, failure action}:

True and false are upside down with each other, while forcing false to be true <lie> is called **contradiction** which enable everything is true <Theory broken-down in mathematics, or actual machine <social> system down due to parts or software trouble happening>.

Aim of our "normal" business is simple to co-live in peace for all people by overcoming various difficulties (by righteous **ideology** and **technology**), however, once looking around the world, there are filled with many very serious kind of dispute and trouble due to abnormal business. Then it is evident that unless something simplest, but strongest solution, we could not survive in the deadly world now heading climate global extinction deeply due to the wicked spirit in high place (abnormal business the origin of causing upside down world).

(1) Theism teach is simple, but strong. All people must co-live in peace by God order.

For 70 years long, both theist nation Israel and Palestine had been being forced to struggle with each other, then Palestinian had lost their land and stable life and Israel had lost moral and great historical reputation. That is, originally both righteous theists have been in trouble. This is upside down history conspired by the wicked spirit in high place who strongly, but secretly believe wrong of no being of God.

(2) Note there may be no time, but at now when the world has become strongly confused by the unprecedented pandemic in escalating climate collapsing environment due to deadly wrong belief of growing abnormal business, but no belief of the deadly fact that unless urgent global counter action, we would have been extincted in fire ball earth

<Arctic Methane Catastrophe> **predicted by both holy scripture and climate science**. This is also a deadly evidence of upside down world.

[3]: **Apocalypse and Destiny of Mankind.**

Both the Bible (Apocalypse) and climate science predict mankind extinction in fire ball earth <Arctic Methane Catastrophe>. Judaist deny New Testament, but except Johns Revelation <Apocalypse>. That is, they consider mankind extinction is history destined. Also NAZIS reincarnated in USA <CIA-military industry complex the actual global ruler with Rockefeller the American imperial> consider mankind extinction is history designed. It is well-known that it is oil merchant Rockefeller who strongly interfere actually effective countermeasure on climate worsening. Thus even many climate activity organization, they substantially has no strategy against Arctic Methane Catastrophe. This is the worst compromise between Jew and Germanic elites. However both they are wrong interpreter.

Because whole teach of the Bible is thoroughly a matter of **“Mankind Repentance”**

<error correcting toward sound order recovery ⇔ Fundamental Logic Teach>.

Also you could confirm it by reading the Bible <Gospel and Apocalypse>!!!!!!!.

Revelation

3:19 As many as I love, I rebuke and chasten: be zealous therefore, and repent.

<http://www.bibleetnombres.online.fr/biblekjv/revelati.htm>

That is, **God never wish mankind extinction, but only their repentance to survive !!**.

As time has become now, the repentance could not be small, but technologically Global Revolution toward establishing **Global Climate Wartime Regime** as follows. Thereby, any regional dispute must be stopped, but turn to prepare global whole wartime regime.

A: Arctic Methane Catastrophe Risk the most emergent Risk at now World.

This is sudden and irreversible gas burst warming toward **fire ball earth** and AMEG(UK) proposed the Risk evading technology by **Arctic Cooling geo-Engineering**.

Certainly the problem is outrageously too big, though coming hell is more outrageously too big ! !, . People could do best once they had accepted the fact !!.

Trust and Bet it !!!!!

1). Since 2007, author has been engaging climate warning with concrete technical plans, however nothing effective action has realized till today (but climate meeting are very busy). He frequently think of his error, *mankind should be not be saved ,but extincted*. In fact, his activity frequently encounter many peoples apathy in Japan strongly, but invisibly ruled by USA after the war. However once he think of time after his death, he might see fireball earth from the other world. This is awful event than anything else, if you are not so, **you are entirely wrong both in science and religion**. Dying is not becoming nothing, but trip to the other world. Al Quran teach that *this world is mere a discipline stage for coming the other world*. There are many honest testimony on the being of the other world after dying <near death experience testimony in the world, or people with paranormal ability>.

2). **Methodology:**

Author employ fact collection <science, history, and **the holy scripture descriptions as for moral teach** and etc> and LOGIC. Thereby also you could conclude the same (at least, similar) conclusion by the method. He has been endeavoring to make his description not his opinion.
