

Turn from Covid Fascism to Climate Wartime Regime<as your final mission>.

On going current regime,your left life may be utmost 20 years,you should utmostly imagine your death stage.Real your task adapting with the sever fact is as follows.2021/6/11

subject:**Study on Climate Wartime Plans :**

Imagine(design)a life calculated backwards from your own deathbed.

Awakening and fulfillment of own mission. Y.Satoh former salesman.

①The Logical Necessity:

On going current regime,about 2040 would be fireball earth extinction by Arctic Methane.

***The Evidence Document**{(a)(b)(c)(d)(e)(f)(g),...},

By any wars in the past,only extinction event was nothing,but climate collapse is not,so is far more than any wars.Employing wartime regime emergency as really effective salvation measure is evidently logical necessity.

***Paris Agreement Regime**(**hiding deadly fact**)is fatal hypocrite for prolonging current ruling regime.

②Study on Climate Wartime Plans.

①Already **salvation has become too late** and impossible so is superficial fake and hypocrite, substantially neglected in silent.Left is conserving short sight dairy life with pursuing last pleasure life in growing various ugly confusions.

* **The counter Evidence Document**{(a)(b)(c)(d)(e)(f)(g),...},

Both Arctic engineering and Cloud sun heat insulation are technically possible.It is sure that we would be extincted if we would not do those.Climate scientists with secret death certificates don't know or even try to think about those.

② **Sticking to the Current Regime <= Counter-Revolution Coup D'etat>**

(1) In a peace world, climate collapse becomes the top priority problem, and if really effective measures are pursued, drastic regime change would be inevitable.

(2) COVID 19 worldwide infection explosion as an immediate strategy on disturbing Democrat Political Activity by the human flow & dialogue blockade policy !

* The Evidence Document<(o)(p)>

(3) As a carrot for the deadly people in COVID economy, their "business & livelihood protection policy".by government-administration aims to block rebellion by people.

(4) By using the fear of global infection explosion,forcing global vaccine inoculation policy → {Return to the current situation(calming one without COVID)}.

(5) Climate collapse becomes the top priority problem in peace world → (1)

(6) → not {Return to the current situation(calming one without COVID)}.
= Infection confusion would not converge until end of the earth<around 2040>! ,

→ (2) COVID19 continues to be infected worldwide as an immediate disturbance strategy

Democrat Political Activity by the human flow & dialogue blockade policy!

(7) {COVID 19+ Climate Collapse}W confusion fear world in government administration dictatorship = Executioner Politics → The final stage of extinction.

* As a precursor to that, rejection of infected patients by medical institutions or quarantine facilities has already started! !!

③ The Significance of Challenging Climate Collapse.

Certainly the problem is outrageously too big, though coming hell is far more outrageously too big ! !, **People could do best once they had accepted the fact !!**.

Trust and Bet it !!!!!

Even in the defeating, we could die with strong confidence of mankind solidarity
In the victory, coming glorious New World by mankind solidarity is waiting on.

APPENDIX-1: *Global warming is inevitable and 5 billion until 2043 , , may die if nothing is done in time ,and they are hidden from worldwide population .. says Jucelino Luz*

Now this web page has been being closed. Then important matter is that ***we could change our future by our will***. This is told by Jucelino Luz himself.

APPENDIX-3: Operation EndGame

This world has been being ruled by Bilderbergers with Rockefeller the General Head Quater of **NAZIS**. Their final aim is not peace making, on the contrary, to conspire **eugenics world** for the few elite's surviving (**Operation EndGame**).

For the New World Order, a world government is just the beginning. Once in place they can engage their plan to exterminate 80% of the world's population, while enabling the "elites" To live forever with the aid of advanced technology. For the first time, crusading filmmaker ALEX JONES reveals their secret plan for humanity's extermination: Operation ENDGAME.

<http://www.youtube.com/watch?v=x-CrNliiZho>

APPENDIX_4: Ideology The Rexamination.

(1) Fire ball earth extinction (Atheism true or false ??)

The real reason why the world became so crooked and abnormal world is that the anti-god power conspiracy <NAZIS reincarnated in USA = CIA-Military-Industrial Complex> worked. Your enemies, but the majority of followers are reality in Japan and the United States, and in this situation there can be no relief, because of cooperater the ruin promoters! !!! Then, one of possible mistake (Suzuki fears) is the following proposition, *Human beings are evil, and their extinction is in line with God's will*
= *Satan the destroyer is a faithful missionary of God.*

Roma church priest denounces the demons in this regard <Italian Google Translate>.

<https://comedonchisciotte.org/questa-farsa-crollera-inesorabilmente/>

This time Corona is a demon power's farce and is to be defeated,

In particular, Italians (some?) strongly condemn the plot with this Corona <Vaccine Suspicion>. it is true also as for 9/11.

In fireball earth, also innocent non-human life is involved, and are also they evil? If so, will God the Life Creator himself correct his mistakes in extinction of the earth???

→ Death of the innocent God = Atheism! .. *Proud Atheist Anti-Semitic are German (Americans) who challenge to prove Atheism by theirselves and the World's Destruction? .. "From the deepest desires often come the deadliest hate".Socrates*

By the way, the Nazis, who hate Christianity, secretly loved atheistic Buddhism and black magic! ! Previously mentioned in the *Hebrew mansion*, but now it is not found.

http://inri.client.jp/hexagon/floorB1F_hss/floorB1F_nazis_X.html

* **Intracerebral drug:** Life is said to temporarily escape pain by secreting intracerebral drug in dying pain. In wild life, the majority of the weak are eaten, and there may be relief measures for them? <Carnival>. Some are strongly accuse cattle prison factory regime.

* **Vegitarianism and Reincarnation Escaping in Buddhism.**

In Buddhism, which prohibits killing, they pursue not devoted cooking, while they pursue escaping reincarnation, which aims to eradicate life permanently.

* **Religion and Political Participation.**

Nichiren-sect <Lotus Sutra> is exceptionally against Buddhism of isolated priest life <apart from upside down secular world>, and they do **political participation**,

¹³*I am the Alpha and the Omega, the First and the Last, the Beginning and the End.*
-*Liberation the Bible.*

From the Beginning and the End, everything is connected.....Lotus Sutra.

The Christian religion was intended to be a political revolution which, when it failed, became a moral one later on.....Johann Wolfgang von Goethe.

The Bible also has a passage on class struggle to fight the evil spirit of high place. Moses, Christ, and Marx, etc made Jews an extinction target for **class struggle revolutionary people**, and therefore Nazis is dog of the hereditary nobility & the big-capital .

(2) Counter-Revolution Coup D'etat

It become ease to anticipate NAZIS USA actions by knowing their basic ideology.

The secret society Skull & Bonds (anti God)doctrine.

①All people and genius are slaves of monarchy dictatorship<fascism-CIA in eugenics>

②Setting enemy toward Hegemony winning in perpetual war strategy<military nation>

*this is anti-democracy&violence worship denying liberty and equality of people in peace.

* HEGEL AND TOTALITARIANISM THE CULT OF STATE POWER

<http://www.worldfuturefund.org/wffmaster/Reading/Quotes/hegelnew.htm>

A:By setting enemy,and making perpetual war toward hegemony winning.

THE GOOD OF WAR

B:Nation and people are those who should be exploited by nobility hereditary.

PRIMACY OF THE STATE VS. THE INDIVIDUAL

(a) Counter-Revolution.

On going climate collapse attack directly food production toward food riot (= revolution in the past history), and therefore hereditary peers & big capital needed COVID 19 as counter revolution.This is global scale of deceiving scenario played by various actors..

(b) Terror,Fake and Hate Engineering toward Camouflage on deadly fact .

Then, anti-US = China-Russia the opposers play role of the enemy of US war monger, Also they always make News of smoke that make world difficulty to see actually effective problems.Political suppression in China & Russia make as if USA were righteous actor.

(c) China Problem is USA Problem<Communists-Big capital connection>

The bad news is, historically(from Russia revolution to today), communists have been being secretly connected with big capital. Also Japanese Communist Party now is not exception. (Japan regime after the war is told as a whole unconscious CIA agents),Korean ??,also they are slave of Western Big Capitals.

Once Andropov(KGB) & Gorbachev tried to resolve cold war regime between US and had accomplished,then it is told that US war monger became pale at the news. Disappearing cold regime was to cause 9/11 the new enemy of "War on terror". Thus merciless long years wars in Middle East was to begin for profit of USA warmonger.

However at now, V.Putin<former KGB agent> has recover the regime again.

At now,Xi Jinping's secret mission is being enemy of US(war monger=NAZIS reincarnated), His role is playing greedy&brutal aristocrat causing Chinese as hate target of world,instead USA.If China and Russia are gentle nations,then it is the worst deeds of USA after the war which could not help,but be revealed to the world.To tell from beginning,It was USA who invested technology with market(usa), and capital to grow China industry<it is almost the same as for Japan after the war>.Both they were big goods and capital supplier to USA.

(d) **Similarity of COVID outbreak and 9/11.**

Then USA had made fatal mistake called **climate change**, however **Rockefeller** the haughty US oil imperial could not correct own fatal error, but turned it as **operation End Game** the final survival game due to **German Eugenics**. That is, in their final plan, planet inhabitant of all nations are destined to die in climate catastrophe. Then there would be counter from them unless something plot. **COVID19** may be a deadly weapon causing unprecedented confusion in peoples solidarity making. Then role of China is **Alquida in 9/11** <the actual criminal is secret special troop of US military with remote operating air plane and timer bomb in the buildings>. It is certain US and China had some connection in researching virus and the consequence is rumor explosion of China criminal. Note there is no merit or profit for China by Covid, but demerit with strong hate attack. **Now USA has become very nervous to flame up deadly lie that China spreaded virus.**

(e) **Dictatorship ruling by employing Patoriotism (against USA) in Russia & China.**

It is always **betrayal** who employ **patoriotism** and cause nation (world) destroyed at last.. This is also applicable in almost WEST nations agitating military risks. They say {economy and military risk} growing are imminent, but **not confess deadly emergency of climate collapse**. Those are all betrayals who would cause wild climate world to our extinction at last.

APPENDIX_5: At first, Can You Revolte Ownself ?!!!

Utmost Possible Weapon against Climate Catastrophe for general people.

In home, especially **water boiling** needs higher energy, following are strongly recommended

① **Solar Water Heater**. <Biden government do not support ???>

Then **heat pipe** method has excellent performance toward gas fee small.

② **Bicycle**

③ **Solar Electric Generator with Battery**.

Above 3 tools are actually used by also poverty author. Then the most trouble is **low cost battery** which rapidly reduce capacity to cause higher electric fee (night use). Once he surveyed low cost **H2 gas generation** (also for energy stock), however failed until today.

④ **Wind Turbin Electric Generator (with Battery)**.

This is **major machine in renewable energy**, and should be big for **regional common use**.
