Israel has become NAZIS,while Palestinian Jew the once persecuted.  
<<All the evils are caused by the reincarnated NAZIS USA>>.2024/10/16.**

Only USA can intercept Gaza massacre,because both Ukraine and Gaza now were caused by USA in order to establish chaotic distopia world toward coming climate catastrophe.Now the world had turned upside down world<injustice,lie,and hatred>.

By anyhow,in order to rapidly stop the Gaza massacre,we all the planet inhavitants must concentate unique and only accusing target who really,but invisibly caused the war disasters.Thereby the splitted opinions must be unique and only by a proof the rigid evidences which has been almost being not discussed in silent the world opinions. Auhor has been repeatedly disclosing this most serious history with the crooked ideology by many times for long in the past pages.

❶ In the beginning was the crooked ideology conspired by Preusen Germany. Skull and bones the secret society of US elites once adopted.

(1)*People and Nation are those should be exploited by hereditary the supremacism.*

⇒ anti-class struggle with pseudo democracy regime by puppet leaders

(2)*Set enemy and perpetual wars toward global hegemony struggle.*

⇒ CIA-military industlly regime with conspiracy and perpetual wars

*The CIA is a class-based organisation. Its membership and its mission are dedicated to defending the dominance of the predominantly US corporate elite, based on the ideology of capitalism and white supremacy.*

*PRIMACY OF THE STATE VS. THE INDIVIDUAL.(G.W.F. Hegel, Philosophy of Law)*

*"In civilized nations, true bravery consists in the readiness to give oneself wholly to the service of the State so that the individual counts but as one among many. Not personal valor alone is significant; the important aspect lies in self-subordination to the universal cause.*

❷ NAZIS was established by the German American US ruler who fear his wealthiest status decline to eliminate enemy the historical **class struggler**. NAZIS was defeated, but survived in USA, and establish CIA military industry complex the machine toward establish global ruling. Those were almost invisible or local conspiracy operations and wars to have established global ruling almost in the world after the war. This should be called completion of NAZI ruling.

This is the recent actual world **political puppet** state before Israel Gaza war.

③ We should once again ask ourselves, why we can not stop Gaza massacre by the overwhelming global opinion power.

⇒ we tend to evade unconsciously facing truth of **the 1<sup>st</sup> cause**.

(1) **The Black Magic America with the most rich and gorgeous fashions.**

They deceive and threaten American themselves and also whole global people. American fear on criticizing **the outstanding military regime** never seen in another nations.

It is silent, but strong enough violence worship with perpetual gun disasters in domestic, and also with perpetual many local wars and disasters in abroad after the war,

<https://beforeitsnews.com/japan-earthquake/2012/06/more-evidence-fukushima-earthquake-and-tsunami-was-nuclear-terror-attack-against-japan-2232035.html>

(2) **The high technology barbarism in invisible anti-class struggle regime.**

USA is outrageous nation to drive people work harder to accomplish superficial prosperity by the severe business competition without social life security such as abnormal expensive medical fee. That is, poor should die rapidly. They should die by violence between poors. While it is also certain that they invent excellent technology and arts by the competition.

(3) **DEVIDE and RULE.**

CIA accomplished not widely wellknown, but awful technology manipulating people.

They have invisible big budget for research and development for the supremacism ruling.

Their personal management technology may invade in many nations in the world to accomplish global ruling. For example, 1% Japanese know it, while 99% Japanese not.

Consequently, Japan now has become a terrible obedient nation for US military ruling in Japan who has been keeping illegal law status treatment between US & Japan.

It is clearly against UN charter law for which Japan constitution prohibits.

<http://www.un-documents.net/a25r2625.htm>

*The principle concerning the duty not to intervene in matters within the domestic jurisdiction of any State, in accordance with the Charter*

*\*Constitution of Japan Article 98 ② Treaties that Japan has concluded and established international laws and regulations require faithful compliance.*

Both France and Russia people are who should be loved by the excellent ability in science and art. However also they face being divided and ruled by deceiving and threatening due to conspiracy technology. That is, threatening technology had become advanced to suppress people. Political police regime employ advanced digital tools to collect and plan suppressing operation. While people's unite technology is not advanced, but weak and old.

Thereby we must invent anti-suppressing technology and unite one.

The way of old fashioned style could not win any more?!

One is digital communication tools, Another is software for making unique ideology with fact.

④ The Revelations of Swedenborg and Israel the Religious? Nation.

*Heaven and Hell - Swedenborg*

<https://www.youtube.com/watch?v=TmJHRkMaeKA>

*:56. All in the Hell are in Evils, derived from The Love of Self and of the world.*

This is simple?, but awful warning also for author himself the egocentric enough.

Once Einstein proposed coliving of Israel and Palestina, however the reconciliation would become more severe by piling up the hatred between them. Netanyahu regime would face their destruction before long. Then the solution would be nothing, but simple? and strong the Revelations of Swedenborg.

(1) How to Make People Selfish.

(a) Torture (fear, ill, war) make people only care for his pain, but can not care for others.

(b) Becoming rich make people fear for their decline, but not care for others.

*In orde to live without change, we must change..... Luchino Visconty movie The Leopard*

(c) CIAs fundametal tool to operate people is "**pleasure and pain**".....

...Bundles experimental pscology make people cattle..

(2) Global Unite by Unique and Only Fact.

A truth can not be many, but unique and only <Logic the supreme science>.

Bilderberg the global ruler is the few wealthiest and royal hereditary family.

While we their slaves in hell are overwhleming massive, why we can not win.

Swedenborg revelation is entirely right !!!.
