

**Which do you opt World WarIII or Global Revolution the Total Resetting ? !. 2012/1/29  
Real Behind of the Middle East Crisis between Israel and Iran.**

Effective Countermeasure on coming Climate Catastrophe is emergent 80% carbon fuel reduction. Global Deadlock in countering Climate Change and Financial Collapse never can be eliminated without **Global Revoluion**. For the 1% elites, Revolution is more terrible than defeating war .So World WarIII for exterminating 80% of the world's population has been conspiring by Bilderberger Elites the 1% actual word dominator.

[ 0 ]: Religion is found to be valid by standard science.

<http://www.777true.net/Proof-on-God.pdf>

**[ 1 ]:The Religious Background:**

(1)Islam includes Judaism and Christianity. [Sahih International. http://quran.com/2](http://quran.com/2)  
**Surah 2. The Cow,4.** And who believe in what has been revealed to you, [O Muhammad], and what was revealed before you<<The Bibles>>, and of the Hereafter they are certain [in faith]. \*<<The Bibles>> is due to Toshihiko.Izutsu in Japanese edition.

(2)Decent Muslim never make first attacking.

**Surah 2. The Cow,190.** Fight in the way of Allah those who fight you but do not transgress. Indeed. Allah does not like transgressors.

(3)Note that a salvation in Christianity is by repentance,without which cause doomsday.

**Armageddon the final war in the BIBLE; Revelation, chapter 16,**

<http://etext.virginia.edu/etcbin/toccer-new2?id=KjvReve.sgm&images=images/modeng&data=/texts/english/modeng/parsed&tag=public&part=16&division=div1>

God wish mankind salvation,however they has been rejecting without repentance.

(4)Fundamental structure of the Bible(from authors view point).

The Bible has been entirely preaching **repentance**,but exception is the last chapter.

Therefore doomsday in John's revelation could be evaded by our repentance.

**[ 2 ]:The Real Background of Israel-Iran Crisis at now:**

(1)Essential cause for opening war is not wide spread doubt on Atomic Bomb(AB) developpment in Iran. A nation who has AB could not launch first attacking,

(a)**Persian Gulf Option One: A False Flag**, Washington's Blog,January 25, 2012.

<http://whatreallyhappened.org/content/persian-gulf-option-one-false-flag-0>

(b) **Contrary to Widespread Claims, There Is NO EVIDENCE that Iran Is Building a Nuclear Weapon**, January 25th, 2012.

<http://www.washingtonsblog.com/2012/01/contrary-to-widespread-claims-there-is-no-evidence-that-iran-is-building-a-nuclear-weapon.html>

(c) **Former Mossad chief: Iran far from achieving nuclear bomb.**

<http://www.haaretz.com/news/diplomacy-defense/former-mossad-chief-iran-far-from-achieving-nuclear-bomb-1.388090>

(2) But **the hidden cause** is due to deadlock state of western capitalism rulers in coming catastrophe possibility of **Climate Change** and **Global Financial Collapse**. By anyhow, **both never be settled without a total resetting by "global war or global revolution"**.

**\* Ron Smith: The only question now is how and when the global economy will collapse. The economic system is finished, and the financial and political elite know it**

[http://articles.baltimoresun.com/2011-09-15/news/bs-ed-smith-debt-20110915\\_1\\_debt-ceiling-global-economy-political-elite](http://articles.baltimoresun.com/2011-09-15/news/bs-ed-smith-debt-20110915_1_debt-ceiling-global-economy-political-elite)

(3) **If the world would be in peace, those catastrophe signs would become evident for everybody's eye before long.** Then what would happen in the world !!, **REVOLUTION !!!**. The Revolution should be global repentance in the Bible sense.

(4) **Bankruptcy in EU and USA** is not before long. Those who lost job and food could not help to get up for revolution. Therefore, the ruler (Rockefeller in USA) has been making possible suppression tools such as NDAA, FEMA....., in police state.

(5) **For 1% elites, a Revolution is more terrible than Defeating War.**

Climate Change would become wilder to destroy living infrastructures and to cause food starvations in everywhere, then people would have known **crisis hiding by elites**.

Thus 1% elites would be terribly accused by hungry and angry people.

(6) **Anti-Revolution = World War III for exterminating 80% of the world's population.**

For the **New World Order**, a world government is just the beginning. Once in place they can engage their plan to exterminate 80% of the world's population, while enabling the "elites" to live forever with the aid of advanced technology.

<http://www.endgamethemovie.com/>

(7) Bilderberger the faithful servants of Imperials (nobility and superwealthy).

**Can Anyone Stop Bilderberg's Lust for War?**,

American Free Press.com, By James P. Tucker Jr.

[http://www.americanfreepress.net/html/bilderberg\\_s\\_lust\\_for\\_war\\_275.html](http://www.americanfreepress.net/html/bilderberg_s_lust_for_war_275.html)

(8) To join Revolution or anti-Revolution, that is question for Military men.

A democracy is superior than eugenic hereditary regime in management theory view.

Because the former evidently enable selecting **most ability leader** from familiar society.

The philosophy of eugenic hereditary regime is that a nation and people are those who should be exploited by nobility the hereditary (mankind corral).

\*A. Sutton & K Millegan, *Fleshing out skull & bones*, Trineday, LLC, 2003.

[ 3 ]: **Israeli people.**

Note Israeli people now has been being forced to do so due to abnormal their history. To tell from beginning (by authors view), they were certainly people of righteous missionary who has been revealing gospel and mankind destiny (the Bible). Without their huge influence, the western (world) culture now never be established. However, without rationality, white western people terribly feared and hated their outstanding ability. The Satanic Holocaust by NAZIS (white German supremacism) and the conspiracy by UK had forced them to build non-becoming stable nation Israel in Palestine (1947). From the first time, "the closed and lonely Israel" was destined to be against neighbourer Islam nations, which now turn to become their twisted mission for the western nations profit, but not "that for Islam nations". At now, realizing righteousness of Israel is decisively not to make any war against Islam nations, which is also to certify their own existence by Islam neighbourers. Because decent Muslim never make first attacking.

[ 4 ]: **America the reincarnated NAZIS nation.**

(1) <http://www.777true.net/German-destiniy.pdf>

(2) **Recognition on the current state.**

As was mentioned in [ 2 ]:(4), USA now has been drastically becoming NAZIS nation the totalitarian regime or the police state. The original cause may be due to lack of accusation on **9/11 the evident national crime (CIA-military industry complex)** as false accusing Muslims. Once injustice had been allowed by nation people, lawless order is to invade every field. Note that the rapid and wide spread economy collapse hit many

American, who became worry about own job and life, which might have seized **effective political solidarity** against the injustices. Or it might be deficit of **effective political leader of ability** to overcome the injustice. Those facts would be seen also EU and Japan. Fact that desirable result have not yet gained is evident sign of our weakness.

### (3) **SUN TZU ON THE ART OF WAR.**

The Moral Law causes the people and their leader have complete same purpose(goal), so that they will follow him regardless of their lives, undismayed by any danger.

<http://www.chinapage.com/sunzi-e.html>

(4) **Then what is our complete same purpose(goal) ?**,

A liberty is realizable only when we live. Now is era we are facing crisis of our lives.

### [ 5 ]: **Summary and Conclusion.**

(1) **Middle East War between Israel and Iran**. is to destroy Global Revolution.

It would be an excuse for opening world war III as anti-Revolution conspired by the elites and for exterminating 80% of the world's population due to eugenics.

(2) Israeli and Iranian people should know above serious fact and determine their mind not to launch the war.

(3) Global people should know bitter circumstance of Israeli and Iranian people and design and execute their reconciliation. Only (2)(3) could stop the war !!

(4) The war is turning over poker table and shooting gun against game winner (people).

The capitalism elites fear for and is desparate on their defeating for fatal failure in **catastrophic Climate Change** and **global Financial Collapse**. Both could not be evaded without global Revolution the total resetting.

(5) Only stopping the war could become global salvation. The most difficult problem is countermeasure against Climate Catastrophe, which need emergent more than 80% carbon reduction and maybe with geo-engineering (Arctic Methane Catastrophe possibility). General people is not aware on this most serious problem.

[http://www.777true.net/GLOBAL-DECLARATION-WAR-on-CARBON-with-Geo\\_Engineering\\_Part\\_A.pdf](http://www.777true.net/GLOBAL-DECLARATION-WAR-on-CARBON-with-Geo_Engineering_Part_A.pdf).

Postscript:

Author's home nation Japan was attacked by M9 earthquake with Fukushima nuclear plant disaster in 2011/3/11. Since then people are scaring coming earthquake and radio activities spread in wide area. And also the earthquake could be considered artificial weapon (HAARP by USA). We Japanese are 3 times (Hiroshima-Nagasaki) AB victim.

<http://www.777true.net/From-the-9-11-to-the-3-11-Japan-Earthquake-Massacre.pdf>

<http://www.777true.net/HAARP-the-Earthquake-Weapon-Mechanism.pdf>

Japan is certainly responsible for the world war II opening against USA (Pearl hourbour attacking without war declaration). However as for Fukushima, for what responsible do we owe ?. Reality is that it's also a political threatenning against us Japanese who wish liberation from US domination and also has an economical conspiracy aspect for against nuclear plant bussiness by oil industry.
