Explained: The Western obsession with Russia

Why do media outlets in the UK almost daily show disparaging news about Russia? Why is there this furore in Washington about the supposed "links" of President Trump with Moscow? And what is "links" supposed to mean? That KGB agent Trumpoff has been successfully installed in the White House? Folks, he would not make it into the KGB, believe me.

Donald Trump and Theresa May – Partners in Planning Armageddon?
By Felicity Arbuthnot, May 11, 2017
 The cynic might wonder if when Theresa May spent so much time clutching Donald Trump's hand on her January visit to the White House, she contracted a virulent strain of Trumpitis, an apparently incurable and uncontrollable desire to erase swathes of fellow human beings from the planet, if not all life on earth.
